

Twenty Years of HOPE:

Twenty years of hearing approximately 100 disclosures per year of severe physical abuse and sexual abuse.

Twenty years of providing forensic, fact-finding interviews so that children do not have to be interviewed over and over again.

Twenty years of providing on-going support to non-offending caregivers to equip them to help their child deal with their trauma.

Twenty years of providing free counseling services to child abuse victims to help them overcome their trauma.

Twenty years of providing programs to students in Cherokee County schools educating them about child abuse and victim services provided at our agency.

We could not have provided these services for the past twenty years without our wonderful community's support. Can we count on your support again this year? Every dollar given to our agency is invested in the life of an abused child and helping them begin the healing process. We ask that you as an individual or as a business purchase t-shirts to be worn each Friday throughout the month of April. The Casual Friday for Kids Campaign has sustained our ability to provide services at no cost to children and their families and we hope that you will consider continuing your support. This serves as one of our best ways to educate our community about our mission and the children that receive services at our agency.

Please bring your orders by our office at 411 North River Street between the hours of **9:00 a.m. -5:00 p.m by Wednesday, March 13, 2019**. If you have any questions, please do not hesitate to contact us at cherokeecac@tds.net or (256) 927-2111.

For the Children,

Lori L. Harris
Executive Director
