

Fees for International Students

International Student Expenses

Tuition Fee:	18,510.00 *
Housing Fee:	7,500.00 **
Total:	26,010.00 USD

* Tuition rate includes tuition, text books, sports fees, & transportation. It does not include school supplies, chromebook, field trips, testing fees, yearbooks, school apparel, or any other incidental costs.

**Housing fee includes room, board, and meals while at home. It does not include lunch at school.

School lunch is approximately \$700 for the entire year. Students should have money with them to pay throughout the year.

Health insurance is required, but not included in these fees and must be obtained by the student before attending.

*** Please do not send personal funds through Shoreland's account.

Special Services for International Students

Individualized Instruction: Shoreland keeps educators on hand specifically to offer one on one instruction for our international students because of the challenges of Shoreland's rigorous curriculum, and also to encourage students to do their best; making that "B" student into an "A" student.

All international students are required to use our tutoring service for the 1st semester of school. Evaluations will be done to see if continued tutoring is needed. Shoreland administration will be the deciding authority as to whether a student needs to continue or restart tutoring each semester.

Student Mentoring Program: International students will meet their American student mentor at orientation on the first day of school. Their mentor will help them acclimate to student culture at Shoreland; giving the international student a guide for daily student life. Shoreland student mentors are chosen by the administration based on their leadership abilities and willingness to serve.

College Guidance: College guidance begins at the 9th grade level at Shoreland and continues to graduation. International students are given one-on-one attention; making sure they are taking classes that are the best options for college acceptance and receiving assistance with the college application and transcript process.

Shoreland participates in the **ACT & National College Board Testing** programs including:

- Explore Tests in 9th Grade
- PLAN Tests in 10th Grade
- PSAT & ACT Tests in 11th Grade
- College Advance Placement Classes & Exams in 12th Grade

Shoreland also offers ACT Prep courses.
