

METRON® USA CATALOGUE & PRICES

2018

Sofia 2018

Dear business partners

METRON[®] S.A. is Bulgarian based company with long tradition concerning production/conception of furniture.

METRON[®] is recognized as the premier kitchen and home design leader. Founded in 1994, till today our brand served on quality and rigorous delivery time, our most valuable business basis.

Our goal is to provide our clients an experience that is truly exceptional, a confluence of sophisticated design and unique, high quality products with the utmost attention to detail.

As a manufacturer with 20 years of experience we have ability to understand and deliver on our client's requirements by our equipped with up-to-date machinery and well trained, motivated staff which enables on time deliveries in the domestic and foreign market.

As we already made our brand popular by delivering the most high quality products around the world through our business partners in Australia, Germany, Sweden, UAE, USA, Viet Nam, Greece, France, Belgium and the Balkans. We are working successfully with more than 40 distributors' showrooms, which cover our domestic market.

We strive to set up high standards in the executive furniture market by introducing new methods and materials into the manufacturing process, as well as offering new product designs on a regular basis.

To ensure high quality and environmental protection of products, all materials are selected carefully from ISO9001:2008 certified environmentally-friendly companies.

We would be delighted if we can satisfy your needs and expectations.

With best regards,

METRON® S.A.

DRAWER SYSTEMS

InnoTech Atira

- Silver, Sharp contours
- Double-walled high-quality powder-coated steel sides
- Full extension **Quadro V6** runner with **Silent System** (soft-closure) with reduced noise
- Up to 50 kg total load
- Quick insertion and removal of the drawer
- Railing set for deep drawers
- Steel back panel (for standart base drawer units only)

HINGES

- Clean contemporary design
- Modern cup and arm cover caps
- High-performance **Silent System** damping system invisibly integrated in
- Fast screw-on
- Hinge and mounting plate with a perfect
- Higly practical height and depht
- Ergonomical fast-on assembly and disassembly

ADJUSTABLE LEGS

- Leg with separated base systems
- Superior mechanical resistance;
- Superior resistance to humidity and aging
- Compression resistance higher than 400kg/leg

Flat Pack

For your own comfort and ease of transportation and carrying, we provide all our kitchens a flat pack cartoon boxes with additional impact resistance wrap. Flat pack usage gives the opportunity to load and transport much more kitchens by container or full truck, which helps to decrease the final price of the product.

No drilling required

All holes for fittings, shelf supports, adjustable legs, hinges and drawer slides are predrilled using precision multi-boring machines. The units are supplied complete with all hardware required to assemble each cupboard carcass, including fittings and shelf supports where loose shelves are included in the kit. Drawer slides, hinges and adjustable legs are also included in each cupboard toolkit. All cupboards are supplied with 8 mm solid chipboard back in the same colour as the carcass.

Rapid S - Easy to assemble

The new quick-connect dowel with a steel pin. Slender, light and immensely strong. Assembly requires no tools – the dowel is simply pressed in by hand. Rapid S and Rastex together make a perfect pair.

5 Years gurantee

METRON S.A. has a unique guarantee. When you purchase your METRON® furniture, METRON S.A. gives you full 5-year guarantee for cabinets, doors, drawer fronts, worktops, fittings and accessories provided by METRON S.A.

In the unlikely event of any defects arising during that time due to faulty manufacture or materials, **METRON S.A.** guarantees to repair or replace any faulty components, provided they have not been subject to any form of maltreatment.

WALL CABINET MECHANISMS

Aventos HF

The **AVENTOS HF** bi-fold lift system is the ideal solution for high and mid height wall units. Thanks to the two-piece front, the overhead space requirement is reduced even for tall cabinets. There are therefore many design options available for the wall cabinet.

With the **AVENTOS HS**, even large, one-part fronts appear to defy gravity by swinging up effortlessly. There's enough space for design features such as crown mouldings or cornices.

Aventos HL

The **AVENTOS HL** lift up is the ideal solution for small-area, single-piece fronts. As the front moves upwards parallel to the cabinet with this application, special installation situations, such as the installation of electrical equipment in the high cabinet, can be implemented to best effect.
