

## BELL CHOIR

The Bell Choir can consist of 8 (2 octaves) to 11 (3 octaves) members and rehearses Monday nights from 7-8 P.M. Members vary in age from Young Adult to Senior Citizen. The Bell Choir plays for church services approximately once per month plus one Christmas Eve service. In addition to using bells, depending on the difficulty of the music, handchimes, mallets and singing bell techniques are also used.

## SENIOR CHOIR

The Senior Choir consists of members of the congregation from Young Adult to Senior Citizens that rehearse Thursday nights from 7-8 P.M. It is a blending of this wide age group of voices that gives a pleasant sound of "Sing to the Lord a New Song". A variety of music is used throughout the Church Year including contemporary Christian music, classic composers and a combination of both. Anthems are selected that are appropriate to the church calendar and can vary from unison to three-part harmony
