INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
District 4 Fire and Rescue

We have audited the accompanying financial statements of District 4 Fire and Rescue (a nonprofit organization), which comprise the statement of financial position as of September 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of District 4 Fire and Rescue as of September 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

San Antonio, Texas

NOTE A -- NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. NATURE OF ACTIVITIES

District 4 Fire and Rescue (the “Department”) is a local nonprofit fire department without powers of taxation under code 501(c), organized exclusively for the purpose of providing fire protection and emergency services to the area covered by the Bexar County Emergency Services District No. 4. (BCESD No. 4). BCESD No. 4 appoints its Board of Commissioners as the directors of the Department. The Department is a component unit of BCESD No. 4 who has elected not to present a blended presentation of the Department’s financial statements in its annual financial report. BCESD No. 4 instead elected to separately audit the financial statements of the entity.

The Department receives the majority of its income from BCESD No. 4. The Board of Directors of District 4 Fire and Rescue are also the Commissioners of BCESD No. 4 as required by its Articles of Incorporation.

2. BASIS OF ACCOUNTING

The Department uses the cash method of accounting for all transactions. However, the accompanying financial statements are presented on the accrual basis of accounting in conformity with U.S. Generally Accepted Accounting Principles, whereby revenues are recognized when earned, and expenses are recorded when incurred.

3. BASIS OF PRESENTATION

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its FASB ASC 958-205, Presentation of Financial Statements for Not-for-Profits. Under FASB ACS 958-205, the Department is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. There have been no temporary and no permanent restrictions placed on net assets as of September 30, 2016.
NOTE A -- NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (CONT):

4. PROPERTY AND EQUIPMENT

All acquisitions of property and equipment are recorded at cost, if purchased or at fair value at
date of gift, if donated. Depreciation is computed using the straight-line method over the estimated
useful lives of the assets. A salvage value of 10% of original cost is utilized for fire trucks. When
assets are disposed of, their cost and accumulated depreciation are removed from the accounts
and the resulting gains or losses are credited or charged to operations. Furniture and equipment
is capitalized if cost is over $5,000. Major improvements and renewals of real property are
capitalized if cost is over $25,000. Repairs and maintenance are charged against operations as
incurred.

<table>
<thead>
<tr>
<th>Asset Type</th>
<th>Useful Life</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fire Stations (Buildings)</td>
<td>25 years</td>
</tr>
<tr>
<td>Fire Fighting Equipment</td>
<td>5-10 years</td>
</tr>
<tr>
<td>Fire Trucks</td>
<td>5-12.5 years</td>
</tr>
<tr>
<td>Vehicles light/medium</td>
<td>5 years</td>
</tr>
</tbody>
</table>

5. USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting
principles requires management to make estimates and assumptions that affect certain reported
amounts and disclosures. Accordingly, actual results could differ from those estimates.

6. INCOME TAX STATUS

The Department is a not-for-profit organization exempt from federal income taxes under current
Internal Revenue Code Section 501(c)(3). As a result, no provision for income tax is included in
the financial statements. The Department also qualifies for the charitable contribution deduction
allowed under Section 170(b)(1)(A) and has been classified as an organization that is not a private
foundation under Section 509(a)(2).

With few exceptions, the Department is not subject to examination by federal tax authorities for
years prior to 2013.

7. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity
dates of less than three months. The carrying value of cash and cash equivalents approximates
fair value because of the short maturities of those financial instruments.

8. CONTRIBUTED SERVICES

The Department receives a substantial amount of services donated by its volunteers in carrying
out the Department’s programs. No amounts have been reflected in the financial statements for
those services since they do not meet the criteria for recognition under FASB ACS 958-605-15.
NOTE A -- NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT):

9. SUBSEQUENT EVENTS

Subsequent events were considered through May 26, 2017, which is the date the financial statements were available to be issued. No subsequent events were noted.

NOTE B -- CONCENTRATION OF SUPPORT

The Department received a net amount of $25,000 pursuant to the agreement to provide fire protection for BCESD No. 4 (BCESD No. 4). These revenues represent 100% of the Fire Department’s revenue. In addition, BCESD No. 4 contracted Leon Springs Volunteer Fire Department to operate District 4 Fire and Rescue.

NOTE C -- COMMITMENTS

The Department has no significant commitments as of the date of this report.

NOTE D -- CHANGES IN PROPERTY AND EQUIPMENT AND ACCUMULATED DEPRECIATION

This year the Department reflects $29,277 in construction in progress related to a solar panel project, which was completed in December of 2016, with the purpose of reducing energy cost used for the operations of the fire station. In addition, the Department purchased a fire truck for $260,456 to use for fire suppression services to the taxpayers of the district.

Property and equipment at September 30, 2016, consisted of the following:

<table>
<thead>
<tr>
<th>Trains and Equipment</th>

<td>$1,508,898</td>
</tr>
</tbody>
</table>
NOTE E -- LONG TERM NOTE PAYABLE

The Department did not acquire new debt this year and has no long term commitments.

NOTE F -- PRIOR PERIOD ADJUSTMENT

The financial statements for the year ended September 30, 2016, have been restated to reflect a correction due to outstanding checks not cashed at time of closing account, which pertained to the Department’s prior period cost. The restatement had the following effect on beginning net assets:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Beginning Net Assets, previously reported</td>
<td>$1,636,302</td>
</tr>
<tr>
<td>Overstated Expenses</td>
<td>(654.43)</td>
</tr>
<tr>
<td>Beginning Net Assets, Restated</td>
<td>$1,635,648</td>
</tr>
</tbody>
</table>

NOTE G -- LITIGATION

The Department management is unaware of any threatened or pending lawsuits against the Department.
