Get Great Pizza Here!

Into the Blue Bakery offers unique culinary experiences creating artisan wood fired pizza on location using locally sourced ingredients. We can be found at markets, festivals, major events and people's home or cottage throughout Haliburton County, the Muskoka and Kawartha region.

Catering with Into the Blue Bakery:

Prior to any event Into the Blue arrives 1½ hours early to set up the oven, tent and tables. We meet the hosts and get underway. Depending on the size of the event we bring 2 – 8 staff. The great thing is that we arrive, we set up, we feed everyone, and we clean-up and leave. You enjoy the food and your friends. No fuss, no muss!
