Red Barons RC Flying Club and Amphitheater Safety Rules

1. Entrance Gates are to be locked at all times when Amphitheater employees are not present, specifically on weekends and holidays and after 5 PM.
2. Flying is ONLY to take place in the designated Red Barons flying are. There is no flying over the Amphitheater Complex or paved parking areas. Refer to field boundary map.
3. Red Barons members are prohibited from entering the Amphitheater Complex, paved parking areas or interrupt Amphitheater employees unless there is an emergency justifying a visit to the Amphitheater office. Examples of justified emergencies are fire or medical emergencies.
4. No flying on days in which the Amphitheater has a scheduled event(s). Refer to Live Nation website for Amphitheater schedule.
5. The following are **NOT ALLOWED** at any time. Rockets due to extreme fire hazard and lack of pilot control. Free flight planes due to lack of pilot control. PLEASE NOTE: Electric powered planes are allowed, but use extreme caution to the heat generated from the motor and batteries.
6. Any member or a guest of a member must follow all AMA, Red Barons, and FAA rules as stated in the bylaws when flying on our field.
7. All flying is to be done within the field boundaries (see posted map)
8. All engines and motors are to be started in the designated locations at either end of the Pit area. NO STARTING, RUNNING OR TAXI OF PLANES IS ALLOWED IN THE PIT AREA OR ON THE METAL TABLES.
9. All 3D flying and Helicopter hovering are to be done AT A MINIMUM OF 50 FEET West of the runway. At no time will this type of flying be allowed over the runway, pilots stations, pit area, or parking areas.
10. The flight line will be that line created by the fence immediately in front of the pilot stations and running North and South parallel to the runway and extending to the Northern and Southern boundaries of our field. There will be NO FLYING BEHIND (EAST OF) THE FLIGHT LINE.
11. Guest are the full responsibility of the sponsoring member. A guest pilot with AMA may come as a guest of a full member a total of 2 separate times per year, after that membership in Red Barons will be required to continue to fly.
12. New members must prove flying proficiency before being allowed to fly without an instructor. A Club Officer will be assigned for the 1st flight verification.
13. There are no type or power restrictions.
14. Breaking any of these Amphitheater rules that are written into the lease may subject the Club to losing its flying site and any member that breaks these rules may have their flying privileges revoked.
15. Each Pilot is responsible for cleaning their pit area after use, this includes cleaning up any spilt fuel and hauling away their trash.
16. The last member shall make sure all gates are locked, those at the flying field and our main gate.

As a Red Barons member, I agree to fully Abide by these rules. I understand if I break any of them, my flying privileges could be revoked.
