It is the mission of Community Hospital-Fairfax to be the healthcare provider of choice for the communities we serve. Our vision is to be valued and respected for the quality healthcare provided by professional and caring individuals. We are very proud of our high patient satisfaction rates, the technology we offer to patients and our building, completed with the community's support in 2010.

**Responsibilities:**

To assure high quality patient care and service by being an integral member of the team in evaluating and providing optimal diagnostic and therapeutic cardiopulmonary care.

**Qualifications:**

Graduate of an AMA approved Respiratory Care Program, licensed by the State of Missouri to practice respiratory care.

Associates degree or equivalent education/experience.

Accredited in Basic Life Support (BLS) and ACLS, NRP preferred. If required certifications are not current at time of hire, must complete within six months.

We inspire our CH-F family by providing competitive wages and benefits in a friendly, supportive community.
