President's Message

I have received several complaints regarding slow play in our tournaments. It is particularly distracting to the players in the group behind slow players.

The responsibility for maintaining a good pace of play belongs with the player. Players in the first group in the field should play efficient golf. Players in the following groups should keep up with the group in front to avoid a pace of play issue. If a group falls behind on one hole, they are expected to play efficient golf and get back into position. This might mean playing ready golf for a hole or two and doing continuous putting, both of which are allowed in stroke play.

Players are expected to manage their time efficiently in between shots, be ready to play when it's their turn, determine club selection and yardage while others are playing (rather than waiting to do so when it is their turn to play) and keep pace with the group in front and ignore the group behind.

There were a couple of issues with the scorecards in the two man better ball tournament this month. One team changed the handicap on their scorecard and turned in the card to Kevin who posted that score. Under no circumstance is a player allowed to change a handicap on a scorecard, if there is a question regarding the handicap posted on a scorecard in a tournament, it should be brought up to the tournament director and verified by the handicap chairman, then and only then can a change in the score be adjusted.

The second issue was a mistake in giving a stroke on a hole that was not supposed to be given, making the team score lower than it should have been. It is the responsibility of the player to sign, date and verify the scorecard prior to turning the scorecard in to the scorekeeper. No scores are certified until the tournament director or a designated person authorized by the tournament director reviews the scorecards and verifies that the score is accurate.

In the future any scorecards that are signed and turned into the scorekeeper that are determined to be wrong will be subject to disqualification.

We had some people state that they were unable to get the tee times on line. The men's club has a new and improved web site elpradomensclub.com, the old web site ends .org. soon they will be combined. The new web site will allow members to be able to interact with board of directors and the membership, have pictures of men's club activities and more. Go on line and let us know what you think or any suggestions to improve it.

Tournament News

Two-Man Better Ball

The first tournament of 2013 had a solid turnout as 94 members came out for the two man team event. We were only one slot away from filling the field. One member called the night before and one showed up at the table. I could have made it work with a little earlier communications!

Please sign up as early as you can so I have a fighting chance of getting you in. We are close to filling the field and I do not want to turn anyone away.

I'm happy to see some new faces, along with the regular members. Welcome to Chase Groce, Scott Moll, and Lane Zimba. The weather was sunny and windy with no frost.

I think most of us were pleased with the conditions on both courses and several excellent rounds were recorded.

On Butterfield Stage the A Flight played from the Blue Tees. **Darnell Barber & Aaron Prisock** won the A Flight with a net 61 one stroke ahead of **Mark Cattell & Jerry McKee** who shot a net 62. Two teams tied for third with 63's; **Mark & Manny Valdez** and **Richard Lizarraga & Mike Tapia**. 5th Place went to **Doug Benc & Lance Zimba**. **Dan Hughes & Don Reardon** rounded off the field with a card off to take 6th. A windy Chino Creek course yielded some blistering finishes for the B flight. Tied for 1st at 57 were the teams **Ron Kramer & Paul Gray** and **Dave Cox & Fred Wallace**. Alone at 3rd were **Larry LaBonte & Don Yurgans** with 60. Fourth went to **Roger Gilley & Gary Martin** at 61. **Mike Younger Sr. & Jr** and **Ron Bowles & Jim Moir** all tied for 5th with 63's. Congratulations to all the Flight winners and everyone who cashed.

Thanks again to Kevin Knutson for the great job running the scoreboard and helping with the results. We would also like to say thanks to Bruce Janke, Greg Entrup and the entire El Prado staff for their continued support of our Men's Club.

The next tournament is the **President's Cup Qualifier on February 16th**. First of all, it is an individual low net Tournament, with regular script payouts, skins, and closest to the pins. Secondly, this tournament determines the qualifiers and seeding for our annual match play event, the **President's Cup**. After the tournament, the top 16 in each flight qualify for this single elimination event, with weekly matches for several weeks. Most matches will be played on Saturday, but Tuesday is an option along with any other agreed upon days.

Please sign up early and often! – Sign up either via email Dcox181@hotmail.com or on the accompanying sign-up form deposited in the EPMC mailbox in the golf shop.

EPMC membership is growing and you will notice quite a few new faces among our ranks. If you don't recognize someone at the next skins game or tournament, please take the time to introduce yourself and say hello.

Saturday's 50-50 winners were John Jones, Steve Koning, Dave Anderson. This was Steve's second win of the year.
