## Pit Spot Contract 2023 Racing Season

The following rules are to be followed for the 2023 racing season.

- Campers and or trailers are allowed to be placed in your pit spot 2 weeks before the opening work party.
- All trailers and campers that are left on the property must be registered and a copy of the registration must be provided to the sign-in booth.
- There are no open fires in the lower pit area.
- Pit spots must be kept neat and orderly during the race season.
- You are responsible for disposing of oil and tires in the proper manner and are not to be left on the property.
- Trash is to be disposed of in the appropriate receptacles and to not be left in your pit spot at the end of the race weekend.
- Campers and or trailers must be removed or moved to a designated area determined by the TSKC Officials by the first weekend in November. (If the camper or trailer is not removed/moved it will be removed and you will be responsible for the cost, and you will not be allowed on the property until that fee is paid in full.)
- Tri State Kart Club does not assume any responsibility for any damage to any camper, trailer or vehicle that is left on the property.

By signing below, you agree that you understand and will comply with the above rules.
