Each month is a different theme. Each week features a wide variety of projects.

Students can enroll for multiple camps, knowing that each will be a unique experience.

By the end, the students will have

**Cost per week: \$150**

**\$15 discount for multiple children and/or multiple weeks (\$135)**

**JUNE: SHINY, GLITTERY or BRIGHT**

Might want to have sunglasses for this camp! It is going to be a week of obnoxiousness. All the bling will be brought out for these creations. If it isn't sparkly, it will be colorful! Expect some very unique art creations getting developed this week.

**Jewelry Jumble. Window Bling. Try Abstract. Out the Window.**

June 13 - 16 OR  June 20 - 23

**JULY: MIXED MEDIA MADNESS**

"Variety" is the theme for this camp. This will be a camp full of "playing". The students will get to work with tapestry material, wood pieces, buttons, textile dye, paint and natural materials. It will definitely be mixed media madness & chaos at the studio for this camp!

**Tie Dye. Textured Textile. Button Building. Wood Works.**

July 11 – 14 OR  July 18 – 21 OR  July 25 – 28

**AUGUST: ROUND & ROUND we GO!**

Circle madness! Everything we will be working with this month will be round! It might make us dizzy, but it is going to be a whirling wonderland of whimsy! The best project this week is going to be working with bike wheels! Well, we also get to create art on records ... that'll be cool, too!

**Record Painting. Weaving Wheels. Crazy Caps. Mandala.**

August 8 – 11 OR  August 15 – 18
