

Canterbury Glen Homeowners Association

Homeowner
Isbell Lane
Odessa, FL 33556

Dear Canterbury Glen Homeowner:

Periodic curbside inspections of all structures and grounds within the community helps ensure that the aesthetic character of the neighborhood is in compliance with Canterbury Glen's governing documents and community standards.

The Canterbury Glen Architectural Control Committee (ACC) has recently performed a walk-through inspection of the community and noticed the following items requiring attention at the above referenced address:

Pressure wash fence	Mulch needed	Pressure wash fence
Pressure wash house	Weed flower beds	House needs painting
Turf in poor condition	Pressure Wash driveway and/or sidewalks	Remove items from front/side of house
Trim overgrown grass	Repair Mailbox	Trim Trees
Trash and/or recycle containers visible	Roof and/or fascia in need of repair	Shrubs need to be trimmed
Clean gutters		
Other :		

Please resolve these items as soon as possible. If identified items have already been corrected, thank you and please disregard this notice.

The ACC typically performs a follow-up walk-through of the community six weeks after initial notification and letters will be issued again if concerns have not been addressed. If you have any questions or concerns please contact the HOA ACC at Canterburyglenacc@googlegroups.com.

Thank you for your cooperation and for continuing to make Canterbury Glen a beautiful place to call home.
