WHAT MAKES COOPER'S MILL JAMS & JELLIES SO DIFFERENT FROM THE REST?

- We never add artificial colors, sweeteners or preservatives
- We never use high fructose corn syrup
- All of our jarred products are gluten free
- Many of our products contain only three ingredients: fruit, sugar and pectin*
- Our apple butter is cooked slowly in 50-gallon copper kettles over a wood fire
- All jams and jellies are made in small batches for the best flavor and consistency
