- Meet some of our Hospice of Redmond Staff & Volunteers and hear their stories of experience.
- Dispel fears about volunteering for ‘Hospice patients’ – **we do so much more!**
- Get answers to your questions about opportunities we may have within your ‘comfort zone’ and abilities. We want volunteers that have a heart and passion for serving those in need.
- Please come and see if volunteering will be a ‘good fit’ for you.
- You have questions about volunteering for us – we will have answers!
