

QUARTERLY NEWSLETTER

December 2022

A MESSAGE FROM THE FK BOARD

Dear Friends,

We thank God for each and every one of you. We know that without your willingness to step out in faith and obedience, none of this would happen. As a board, we continue to be blown away by the love and support shown for Fred's Kids and the ministries in Kenya.

This quarterly newsletter may look a little unusual, as things are, to put it plainly, slightly unusual. We have been faced with a challenge that, even months ago, would have seemed impossible. But the sovereignty and timing of God is unquestionably at work through this ministry, and we feel blessed to be a small part of what He is doing.

With the new year, comes new challenges. Fred was recently approached with a list of minimum requirements in order to keep Marindi Grace Academy open and operating. The major requirements were a building for two junior high classrooms and an associated laboratory. Because of the generous support received from our donors, Fred and his team have been able to begin the required construction and are well on their way to meeting these government mandated requirements. We know that without God's blessing and your support, we would not be able to continue supporting these amazing ministries.

We are excited to share the progress that the team has made over the past few months and can't wait to celebrate the completion of this project. While the project is moving forward, we are still in need of further support. If you are interested in partnering with Fred's Kids on this project, please reach out to one of us or visit our website. www.fredskids.org

Thank you and God Bless.

QUARTERLY UPDATE

The usual activities of the Fred's Kids ministries have continued as designed over the past few months. We felt that given the severity of this recent development with the school, it made sense to update you all on the progress being made. We are asking for everyone to pray over this new school building and the lives that will be impacted by keeping Marindi Grace open and operating.

FOUNDATION

According to the grace of God which was given to me, like a wise master builder I laid a foundation, and another is building on it. But each person must be careful how he builds on it. For no one can lay a foundation other than the one which is laid, which is Jesus Christ.

1 Corinthians 3:10-11
