

# Summer Sendoff

*An evening of entertainment and information  
to guide families through Prom & Grad Season*

Tuesday  
May 9, 2017  
7pm – 9pm  
AHS Auditorium

## Performance by actor, comedian and author John Morello

As featured in the New York Times, John uses storytelling and humor to connect with audience members around a number of important topics, including drug use, depression, bullying and making difficult life choices. Designed to spark conversation, this special performance also includes a Q&A session with John.

## Social Host Liability Laws

A brief discussion presented by Middlesex County **DA Marian Ryan** on what every parent needs to know. **Ashland Police Chief Craig Davis** will also be present to answer questions about how those laws impact our community.

We especially encourage AHS Juniors & Seniors and their parents/guardians to join us for an evening dedicated to celebrating safe choices during prom & senior week.

All are welcome to attend this special Community Programming event.
