SUSIE'S SCOOP

SUSIE'S ACADEMY OF DANCE MONTHLY NEWSLETTER

2020 AT A GLANCE!

It wasn't too long ago we were meeting in the park to celebrate the obstacles we overcame during our season last year. We shared our screens with one another thru virtual dancing and instruction and managed to prevail thru it all. We are so incredibly thankful and blessed this season to be able to share our love for dance in person and cannot wait to share what we've overcome thru our Virtual Holiday Show.

Virtual Showeas

Filming for the Holiday Show will begin the week of December 14th. Please send your child to class in their costume apparel OR send it with them. Cost for costuming was emailed to each student. Our finished product will be sent to you all the week of Christmas.

Tuition and Payments

Please be sure to send payment for Showcase costuming as well as current and/or past due tuition. As a reminder, tuition is due the 1st of the month. We are preparing to close out our books for tax time at the end of the year. Please assist us in making all outstanding balances current.

You can pay for these outstanding balances thru Paypal, thru your bank billpay, by phone or by sending a check/cash with your student.

Our Paypal address is below:

[PayPal.Me/susiesacademyofdance](https://www.paypal.com/paytoemail?email=PayPal.Me/susiesacademyofdance)

Please include your student's name on Paypal notes as well as other forms of payment.

Where are my shoes??

If new dance shoes were ordered, they were sent home in your student's dance bag. Please remember to contact the studio for payment.

Competition Corner

Be on the lookout for extra practice info in preparation of our upcoming competitions for the new year. We will be sending out information regarding those upcoming comps soon!
