

## Welcome to your beautiful cruise!

### The Departure

The boat is located at Victory pier on Victory beach. You can arrange a taxi or a tuk-tuk from your hotel to meet us there at 8.45am for a 9am departure. For an afternoon sunset cruise we depart at 3pm. The destination is well known by the taxis in Sihanoukville.

We can also arrange to pick you up directly with our boat at any beach in Sihanoukville or on the islands. If you are staying at a hotel near the ocean, let us know- we will come there!

### Food and Beverage

One of the goals of the crew is to make sure you have everything you need including your preferred food and beverage during your cruise.

The boat will be provisioned with drinking water and a selection of sodas / soft drinks, all free of charge. Beer and table wine will also be available to purchase onboard. We can also stock our bar with premium drinks such as fine wines, champagne or spirits upon request.

A selection of tapas snacks, fruit and a nice bottle of wine will be served during the **sunset cruise**.

The **day cruise** provides a lunch meal with snacks and fresh seasonal fruit served at your convenience during the afternoon. *(Please let us know of any dietary restrictions or special requests)*

Meals are not included on a **multiday cruise** and can be self-served or fully catered by us onboard.

Meals at any beach resort can also be arranged if you wish. We can guide you to discover some of the best restaurants on the islands – everything from simple beach fare to elegant fine dining cuisine.
