Times Change, Enemy's the Same....

Course Description: Advanced Precision Rifle course held at _____ Rifle Range Dates 4-6 December 2018

Advanced Precision Rifle- This three-day (24 Hrs) course is designed to teach the sniper more instinctive and precise engagement at intermediate ranges with more confidence. This course consists of mid-range precision shooting from distances of 50 to 300 yds.

We will review the following subjects: Safety, Rigging of the sniper rifle, fundamentals of marksmanship, ballistics, correcting for environmental factors, firing positions, angle shooting, camouflage & concealment.

We will also thoroughly cover alternate positions, urban positions and use of cover, observation and reporting for the sniper team, low light firing techniques with and with night vision devices, range estimation, correcting for wind drift, shooting moving targets and many other advanced techniques. An emphasis will be placed on closer range urban engagements, to include combating urban terrorism. Also thoroughly covered will be urban movement and stalking skills, urban hide sites and many other advanced techniques.

We will shoot several challenging courses of fire to include urban pairs engagement course, target discrimination drills, coordinated command firing, shooting through glass, advanced stress courses & competitions, team building climbing and advanced urban operations.

Basically two days will consist of range classes and range shooting skill sets and one day on more advanced scenario based training to test the LE sniper and further their skills.

Cost: \$700, minimum of 12 students

Preparedness and the 21st Century Fight by Jim Smith

Leadership

A Blackhawk is shot down over Somalia triggering a fierce battle that will be remembered for generations to come.....

In the uncertain days following 9/11 a group of highly trained shooters are assembled and deployed on civilian airline flights.....

Both seminal events in our Nation's modern history and Jim Smith, President of Spartan Tactical, was a central figure in both.

Experience

Jim's background as a tactical firearms instructor spans more than two decades. As a well-respected member of the Special Operations Community, Jim has trained and served with the most elite units in the U.S. Military in various theaters around the world. As part of his lengthy operational background he has served as a Delta Force Operator, Special Forces Engineer, Special Forces Operator, Army Ranger and Sniper as well as being an accomplished breacher with years of explosives experience.

A decorated combat veteran, Jim has been awarded the Silver Star, Legion of Merit, Purple Heart and numerous other military awards.

While rescuing crewmembers from his downed Blackhawk in Somalia Jim was wounded by enemy fire and subsequently granted disabled veteran status.

Note: *Spartan Tactical qualifies as a Disabled Veteran Owned business for contracting purposes.*

Accomplishments and Certifications

SOTIC - Special Operations Target Interdiction Course (SOTIC) - certified instructor

ASWG - Spartan Tactical was instrumental in developing a new comprehensive training program (from basic marksmanship to advanced combat skills and tactics) for the U.S. Military's Asymmetric Warfare Group (ASWG) .

Federal Air Marshall Training Program - One of the initial instructors called upon to create the Federal Air Marshall program post 9/11. Responsible for the hands on training of the Federal Air Marshalls for over three years.

SURGE - A national firearms training program for U.S. Immigration and Customs Enforcement (ICE). Spartan authored and later conducted the training program.

AWG- One of three instructors that wrote and taught an Army wide training course titled CATC for the Army's Asymmetric Warfare Group.

FBI Combatives - Certified instructor

FFDO - Wrote and previously conducted the Federal Flight Deck Officer's (FFDO) training program (armed pilots) post 9/11

TTPOA - An endorsed instructor with the Texas Tactical Police Officers Association (TTPOA). Spartan Tactical has also trained numerous SWAT teams around the Nation.
