Top Honours For Pointe Claire In Swim Meet

The Lakeshore Swimming Club of Pointe Claire, host of the Lakeshore Swim Meet on August 26th, took top honors when it edged out last year's DRA champions from Dorval by the slim margin of 14 points in an exciting down-to-the-wire finish wire finish.

In an exciting down-to-thewire finish.

The final outcome, in fact,
was in doubt until the last swimmer of the last marathon had
touched the end of the pool. At
the diving - 43rd of the 52
event competition - the score
was 164 points for the Lakeshore team and 164 for the DRA.
After the diving, both clubs
were still tied at 171 points
were still tied at 171 points
each. Final scores for the
teams were as follows: Lakeshore Swimming Club, 247;
Dorval Recreation Assocation
233; Beaconsfield, 194; Lakeside Heights, 129; and Valois;
93. 93.

Approximately two hundred swimmers and officials parti-cipated in the meet, which was organized underthe chairmanship of Mr. Dick Mueller, Dir-ector of the Lakeshore Swim-

ector of the Lakeshore Swimming Club.

Fol'swing the conclusion of the competition, Mayor John Pratt of Dorval presented the Pratt Shield to Mr. Barry Tyler, Captain of the winning Lakeshore Swimming Club.

Mrs. Dorothy Dow, on behalf of the Lachine-Dorval Kinettes, presented their diving trophy to the best female diver, Linda Morrison of Bezonsfield.

Morrison of Beaconsfield. Mr. Wm. McDonald presented the Lachine-Dorval Kins-men Trophy to the best male diver, Dick Kelder of the Beaconsfield Club.

consfield Club.

Among the winners of first place points in the DRA team were Wendy Cox, girls 8 & under, 25 yrds, freestyle; Stephen Wade, Boys Il & 12, 50 yds, freestyle; Judy Cox Girls 15 & 16, 50 yds freestyle; W. Koopmans girls 9 & 10 25 yds breast stroke; Brian Twade, boys 9 & 10 25 yds breast stroke; Brian Twade, boys 9 & 10 25 yds breast stroke; Elinda Nicholson girls 15 & 16 50 yds breast stroke; Ken ke; Linda Nicholson girls 15 & 16 50 yds breast stroke; Ken Gordon boys 9 & 10 25 yds back stroke; Pat Cox girls 11 & 12 50 yds back stroke; Caroline Kerr Girls 13 & 14 50 yds back stroke; Richard Kerr, boys 15 & 16 back stroke Linda Nicholson girls 15 & 16 back stroke; Gord Kerr Sentor 50 yds back stroke; Caroline Kerr, girls 13 & 14 50 yds butterfly; Ken Ransom boys 13 & 14 50 yds butterfly; Louise Monty, girls 15 & 16 50 yds butterfly; lan Mathieson, boys senior, 50 yds butterfly; In Mathieson, boys senior, 50 yds butterfly; Three senior, 50 yds butterfly. Three relay teams chalked up top points. They were boys 13 & 14 Ken Ransom, R. Thomas, P. Tpwnsend, G. Wade; girls 15 & 16, L. Nicholson, J. Cox, L. Monty and J. Lambrecht; boys 15 & 16, B. Harvey, R. Kerr, J. Greencaus, D. Fryer.

Pictured here is Nihon Pork's model of an "'African Village", the winning entry in the Dorval Parks Art & Croft Display held at Morgan's, Dorval, on August 23 and 24. The model is completely hand-made, and was selected because of its originality and skill in croftsmanship. From left to right are Mrs. D. Dow, member of the Board of Parks & Recreation; Mayor John Prott of Dorval, presenting the award; Miss Elizabeth Laurie, City Recreation Leader; and John Broult, accepting the award for his park. Lakeshore General Hospital Drive Reaches 70% Of Its Objective

A Lakeshore General Hospital is now assured, at least in modified form. The building fund appeal, which opened May 15, has reached 70 per cent of its \$2,500,000 objective for corporate and personal giving. General chairman J.M. Well: announced today that \$1,771,163 has been received to date in the public appeal which will officially close shortly after Labor Day. Government assistance amounting to \$1,000,000 is anticipated.
Fund officials believe that "a new standard in capital fund raising has been set in this campaign." And this standard has been reached in the support given to the campaign by Lakeshore families. With nearly 8,000 gifts received in the community canvass so far - reaching a total of \$579,090,- the average subscription per family is a high \$76.65.

As Labor Day approaches, a reduced force of volunteer canvassers are redoubling their efforts to reach residents who have not yet been called on.

A new development "immediately after Labor Day," will be the transfer A Lakeshore General Hospital is

remaints who have not yet open carled on.

A new development "immediately after Labor Lay" will be the transfer of Fund headquarters from Allancroit School, Beaconsfield, to a new office in the Roy Pelletter Inc. Building on Beaconsfield Boulevard. A lease has been signed by the Lakeshore General Hospital for an 866 sq. ft. office in the new building, 444 Beaconsfield Boulevard. After the campaign ends in September, the room will serve as headquarters of the Lakeshore General Hospital until the hospital is built. Telephone number of the new headquarters will number of the new headquarters will remain the same one used throughout the campaign, OXford 5-3021. Meanwhile, concrete preparations for the Lakeshore General Hospital

advance. The building committee of the new Hospital has seen the architect's final drawing, which is now available to medical sources for general review.

Next Tuesday, Sept. 5, is the date of a meeting of the building committee: and architect, Robert Fleming of Fleming and Smith, with the executive and certain members of the Lakeshore Medical Society, who will see the final drawings and be briefed on the Hospital's future plans.

WALTERS PARK POOL TO REMAIN OPEN UNTIL SEPTEMBER 10.

Mrs. G. Townsend, D.R.A. ced that Walters Park Pool will be kept open until Sun., Sept. 10th, rain or shine. Hours will be from 11 a.m. to 7 p.m., starting Tuesday, Sept. 5.

Ballantyne Park Pool and Surrey Gardens Pool will officially close on Labour Day, Monday Sept. 4, at 9:30 p.m.

RED FEATHER CAMPAIGN OFF TO **EXCELLENT START**

"The advance phase of the 1961 Red Feather Campaign seems headed for success," said A. Neil Lilley, President of Texaco Canada Limited, this year's campaign chairman at a press conference. Mr. Lilley revealed that early returns from the Men's Advance Gift canvass are showing a 17g net increase in giving over last year's campaign. "Evidence to date is very encouraging, indicating that big givers are not only transferring their previous gifts from Boy Scouts and Boy's Clubs to Red Feather but also adding to this giving in generous fashion," said Mr. Lilley.

At the same time returns from the Executive Division show an endorsement of the year's campaign chairman at a

from the Executive Division show an endorsement of the Federation's reduce the campaigns drive' as early returns in this division are well over 20% above last year's giving. The campaign chairman described these results as showing firm support for Red Feather's efforts to reduce the number of campaigns in the city. During last year's campaign Red Feather made a promise

that if that drive was successthat it that drive was successful they would make every effort to bring in new agencies to the Federation. The drive was successful, a New Agencies Committee was set up, and four Committee was set up, and four new agencies were accepted in to the Red Feather family early this year. The new agencies had previously conducted appeals on their own. Now their funds would be raised by Red Feather and in this way much time on the part of canvassers and campaign costs could be saved. Mr. Lilley declared that if Red Feather was to continue its efforts to reduce further the number of appeals the 1961 campaign must be a success. Initial returns indicate that

Initial returns indicate that the Red Feather's efforts are appreciated and that the cam-paign seems headed for success. The next phase in the drive will be in the Industrial and Commercial canvass, or the canvass of those firms outside of the Men's Advance Gift Division, having fifteen employees or more. The chair-real fighting ground of the campaign. Giving in this area had not been too good in recent years. "If these firms and

CIVIL DEFENCE INTEREST HIGH

Dorval's Civil Defence committee under chairman George Goodale, began mapping its 1961-62 prpgram last week following an increased local awareness of the need for serious planning in view of the

rious planning in view of the increased tension between East and West.

With the Berlin crisis uppermost in the minds of many, Acting Police and Fire Director Pierre Garlepy. CD coordinator, has received many phone calls from local residents seeking advice on construction of fall-out shelters and instructions on what to do in an emergency. Many letters have also been received by Clhave also been received by Ci-ty Hall from anxious citizens.

Capt. Gariepy now has two booklets from the Federal Government copies of which will be mailed to all who apply through himat the Police De-partment offices, Martin Ave-

One booklet gives details on how to build a shelter; the o-ther is entitled "Il Steps to Survival". Supplies, at the moment, are limited and will be issued on a first-come first -served basis.

Meanwhile an informal get-together is to be held some time this month at which mem-bers of the CD organization who have passed their first aid examinations will receive their certificates, and members of rescue teams will be honored with certificates of

merit presented by the City.

New courses in first aid
under expert tuition, will be
given towards the end of the month. All interested should write to Capt. Gariepy's office at Martin Avenue as soon as

Chief Urges More Caution This Weekend

Almost all automobile accidents - and the injuries and loss of life that follow - are caused by drivers who are not in a fit condition physically or mentally to be driving their car, Acting Police Chief Pierre Gariepy of Dorval said today.

Alarmed by the mounting Alarmed by the mounting wave of highway accidents in Canada since the start of the summer season, Chief Gariepy was particularly worried with the approach of Labor Day week-end.

Each motorist should take the following preventive measures, according to Chief Gariepy.

1. Have enough rest before driving and forget your worries, problems and day dreams. Concentrate on driving and on highway hazards.

ing and on highway hazards.

2. If you are the only one to drive, don't cover more than

drive, don't cover more than 350 miles a day.

3. A little exercise and a good cup of coffee will sharpen your reflexes and help you stay alert.

4. Start watching for sleeping accommodation about 4 p.m. Otherwise, you run the risk of driving many more long hours and becoming overtire. tired

5. If you have to drive at night, keep the speed lower than during the day!

6. Treat pedestrians and other motorists as you would your own children, relatives and friends

their employees can be indu-ced to match proportionately the giving in major firms the campaign will be an undoubted success." said M. Lilley. It was important said the campaign chairman that all gi-

John Pratt Says

The rightto vote has been granted to all Canadian Indians.
Prior to July, 1960, 20,000 Indians enjoyed the franchise. These included war veterans, their wives, and Indians not living on reserves.
By virtue of an amendment passed on July 1, 1960, an additional 60,000 Indians were extended the

right to vote.

For the first time, a Canadian Indian has been appointed to the

James Gladstone, Canada's first

James Gladstone, Canada's first Indian Senator, was appointed in February, 1958. Indian Affairs Committee
A Joint Senate-House of Commons Committee on Indian Affairs was appointed in May, 1959. The Committee, under the Co-chairman-ship of Senator Gladstone and Noel Dorion, M.P., examined Indian Affairs and the social and economic status of Indians.
In its report for 1960 the Committee recommended the early remittee recommended the

In its report for 1960 the Committee recommended the early removal of the compulsory enfranchisement provision of the Indian Act which is objected to by virtually all Canadian Indians.

This recommendation was in line with an earlier recommendation by the Minister of Citizenship and Immigration, Hon. Ellen Fairclough, who had promised Indians that the compulsory featury would be removed.

Band Membership

For the first time, through an amendment by the Progressive Conservative Government, persons reg-istered as Indians and their descendants will not lose Indian status be-cause they or their ancestors receiv-ed half-breed lands or scrip money.

Record Housing
More houses were built in Indian communities in 1959-60 than in any other year in Canadian history. A total of 1,470 new housing units was built and another 260 houses were started.

These houses were financed from public funds and by contributions from Indians themselves in the form of labour, cash, materials, Band Funds and Veterans Land Act grants. Increased Housing, School and Road

DORVAL TENNIS CLUB NEWS

T. Finlay and K. Hill joined their tennis skills together last week to beat A. Palmer and D. Allen in the Men's Doubles and capture the H. Palmer Trophy. Finlay and Hill took the first set after much hard work, 6-3. The second set was Palmer & Allen all the way - they played surperh tennis to take the set 6-0. The third and fourth sets saw Tom Finlay and Ken Hill settle down to take both sets 6-1, 6-2 and the Dorval Men's Doubles Championship. This is the second year in a row that Tom Finlay has won the men's doubles. Last year he played with P. Brunette against K. Hill (now his part-

ner) and S. Stubbs.

Tennis wil be in top gear this week. The Men's Team, captained by K. Hill, will have a sudden death play-off in the finals of the Lakeshore Men's League Championship against Como. This was a home and home series, but both teams are now tied one match each. Como played at home and won 3 matches to 2 and Dorval in their return match at home won 3-2.

The Ladies Team this week will have a home and home

This year, with the two new courts, making four in all, and with all four courts lighted and a keen and capable executive, enthusiasm in tennis among both young and old in Dorval has reached a new peak. A word of congratulations is in order to the group of workers

A new, more powerful version of the highly successful Austin Healey 3000 has been announced by a British car company. Named the 3000 kl.l., this latest Austin Healey is here seen in its two-seater form. It is powered by a further development of the 2012 c.c. six-cylinder engine which now has three carburetors boosting its output from 124 brake horse power.

The new 3000 sets the future trend in thoroughbred sports cars in having seat belt attachment points included as a standard fitting. It has a body basically similar to its predecessor, but is recognisable by a radiator grille with vertical slats and a new badge. Powerful disc brakes on the front wheels are coupled with hydraulic drum brakes on the rear to ensure stroight-line stopping.

The new Austin Healey is available as a two-seater or as an accasional four-seater tourer. Both forms have comprehensive all-weather equipment. The new car also has an immobilization device which is situated in the boot.

Absent from the group is Mr. Bill Hartt, olso on the committee. Entertainment of all kinds, Fish Pond, Pony Rides, and Games for young and old will make up the Carnival fare.

Don Messer at the Forum

The many fans of "Don Messer's Jubilee," making a personal appearance at the Forum August 31st., will enjoy a fast-paced two hour performance with the complete cast. The popularity of this program is due to a great extent to a thorough knowledge of country music and hard work. Don Messer spends five hours daily in practice and composing, in addition to rehearsals with the band before each show or dance engagement. gagement.

gagement.

Don Messer was born in New Brunswick in 1909, and by the age of seven had played the fiddle at barn dances. At sixteen he moved to Boston to study violin and folk music. In 1930 he returned home where he formed the "New Brunswick Lumberjacks" to play old time music on radio. The success of this band led to personal appearances at Sportsman's Shows in Boston and New York, and to work in American night clubs, theatres and radio. In 1938 a smaller band was organized to play "Backwoods Breakdown" on CBC radio. Moving to Charlottetown

the band became known as "Don Messer and his Islanders" and were soon one of Canada's most popular radio shows.

The Don Messer Jubilee is presented by the Fossils Club of Montreal Inc., with proceeds to Fossils Youth Work.

It will be tunics, blouses, and, this year, black oxfords....Mr. Russ Whalen, Principal of St. Stephen's High, Dorval, and Mr. Wm. Lawler have spar the summer at University of Ottawa courses, Mr. Lawler is working towards a master's degree in theology....Miss B. Mueller who was graduated this year from Marionapolis College will teach Science at Resurrection High School in Lachine... And there is good news on the bi-ethnic Catholic high school. Pr. Ission has been granted for the building of 32 rooms, and for the construction of the swimming pool and gymnasium facilities as originally planned.

MAN WITH A CAMERA: Someone asked, after seeing photos in a recent issue of The Dorval Reporter, "Who is Walter Edwards?" And since Mr. Edwards is a Dorval resident, and a man who has been toting a camera for more than 20 years, there is just naturally a story in answering the question with a few facts.

more than 20 years, there is just naturally a story in answering the question with a few facts.

Mr. Edwards started out in his career as a photographer in his father's camera shop which was opened in Quebec City in 1919 and is still operating. He had his first assignment, a double ship launching, in 1937, and stayed with the family business until he joined the army in 1939. During the war he was the only Canadian army photographer who covered both conferences in Quebec. He was the first Canadian to cover Canadian soldiers boarding an enemy ship during the second world war. When the Capor-Noil slipped out of Sorel on the day Italy entered the war and was sinking near Quebec, he covered the story of the boarding, and the taking of prisoners to Quebec City.

After the war, assignments with Foundation Maritime took him on several trips on the Josephine, at the time second most powerful tug in the St. Lawrence, to cover rescue operations. He covered one story at Ellis Bury at Port Menier, Anticosti Island, and he was able to go ashore and participate in the island's famed deer hunting. This was of especial interest to me because at the time we were living on the island and watching the same rescue operation from our home on the island overlooking Ellis Bay. Another assignment was carried out in this area when he managed to be the first photographer in and out of Rimouski at the time of the disastrous fire there.

In 1956 Mr. Edwards has left the Gazette staff, and he moved with his wife and three daughters this favourite models) to Dorval in 1958. This year Mr. Edwards has left the Gazette and is concentrating on free lance and feature story work. He says he is at home with his family more, at more reasonable hours — but who knows where the camera will take him nextl

remember to add what vers remember to add what they had previously given to the new agencies to this year's Red Feather campaign. Funds being collected now will be used in the 1962 calendar year. Boy Scouts and Boy's Clubs held spring drives for their 1961 funds. "If Red Feather can pick up all former giving to the new agencies and if the citizens of Montreal will give additional amounts to cover Red Feather's increased costs we shall be able to meet the full objective of our 1961 campaign, "declared Mr. Lilley.

Dorval Dukes Show Promise

The Dorval Dukes Juvenile Football Club got off to a good start for 1961 by beating Lake of two Mountains "HAWKS" in an Exhibition game at Ste. Eustache Sur Le Lac last Saturday afternoon.

Playing in 80 degree tem-perature and high humidity both teams played surprisin-gly well with the Dukes' supe-rior condition offsetting the fact that they were outweighed by 10 and 15 pounds per man.

Dukes opened the scoring in the third Quarter on a pass from Mike Pilon to Bob Benoit that travelled 25 yards. The convert was blocked.

On the first play, from scripage following the kilosity the plays from scripage following the kilosity the page following the kilosity the plays for the page following the kilosity the plays for the page following the kilosity the kilosity the kilosity the page following the kilosity the kilosit

On the Hrst play, from scri-mage following the kickoff the HAWKS scored on a 65 yard pass play. Convert no good. Early in the 4th Quarter, HAWKS scored a single on a kick by Williams. With five minutes left to the end of the game the Dukes pulled a real hazzle-dazzle reverse and Bob Benoit went 75 yards behind beautiful blocking by Pete Stefanik, Brian Donnelly and Ted Fraser. No convert.

The Dukes are a young, light, and fast group of boys, many of whom have not played organized football until this season.

The coaching staff of Shorty Fairhead, Ian Mathewson, and John Rogers has accomplished a great deal in the few weeks the team has been working out, and while there is much hard work ahead this team might be

the surprise of the Lakeshore Juvenile Football League.

Dukes open their schedule Friday, Sept. 8th at Ballantyne Park, Dorval East; gametime - 8:00 P.M.

You don't say, Lady Pamela!

Oh, but I very definitely do, Your Grace.

You mean to tell me this charming Lakeshore city has more to offer shappers than, say, the "big city" stores?

Infinitely more, my deah. Why, I never go shopping in town anymore!

But it seems incredulous, Lady Pamela, that we might expect the same scope and quality in Dorval as we see, frixample, on Bond Street or in Continental centres.

Incredulous but true, Claude. Y'see, most discriminating people have moved to Dorval from the hurly burly of the city, and Dorval merchants — charming chaps, by the way — have gauged both their quality and their prices to giving the very most for the very least. Really, doer boy, you must join me on my shapping tour today. You'll be jolly well astounded.

Capitall Lady Pamela, I'll call the coach and fours.

Nonsense, Your Grace. Let's walk. There's so much to see in the Dorval shops, one should take one's time.

SHOPPING IN DORVAL IS LEISURELY AND REWARDING FOR REAL VALUES PATRONIZE YOUR DORVAL MERCHANT.

This message sponsored by the Council of the

Seen here is a model of an "African Village" which contured second place in the Dorval Parks Art & Craft Disploy, held at Morgan's, Dorval, on August 23 and 24. The model is entirely handmode by members of Walters Park. From left to right, Mrs. Judy Honsen, Assistant Supervisor Dorval Parks & Recreation; Mayor John R. Pratt, M.P., presenting the award; Mr. &H. Charland, Chairman of the Board of Parks and Recreation; and Judy Montpetit, accepting the award for her park. In the display competition Surrey Gardens Park placed third with Oriole Crescent Park receiving honouroble mention. (Photo by Walter Edwards)

LITTLE LEAGUE

Dorval Little League play-offs are now in full swing, and Monday night the Braves scored the upset of the season by defeating the league champion Senators in the third game of their best-of-three semi-final series. The Senators had lost only two of their twenty games over the regular season, and were heavy fav-orites to advance to the finals against the winners of the other semi-final, either Dodgers or Tigers. However, the Braves, in third place in regular league standing,

played their best ball of the season when it counted. Jackie Pierotti was when it counted, Jackle Pierotti was their big gun, pitching the Braves to a 3-1 victory in the first game and to the final 13-8 win which elimin-ated the Senators. The second game of the series was won by the Senators

We who make whisky say:

DRINKING AND DRIVING DO NOT MIX

Fine whisky is a luxury and should be treated as such. And, knowing when to say "no" plays a great part in the art of sensible living.

Neither whisky nor any other alcoholic beverage has any place at the wheel of an automobile. Drinking and driving do not mix.

This conviction must be shared by every thinking person who drives a car, particularly this Labour Day week-end when many holidaying families will be travelling on Québec highways.

If you expect to be at the wheel of a car this week-end, we say to you: Think before you drink. Don't drink before you drive.

Roger Bastien Attends Park Convention

Mr. and Mrs. Roger Bastlett left Montreal on August 25 to attend the Annual Convention of the Parks and Recreation Association of Canada, which is this year being held in Edmonton during the week of Aug-just 27. This is the second year that Dowal has been represented by Mr. Bastlen, who is Director of Parks

and Recreation for the City. Mr. Bastien is a firm believer in the principle that recreation must constantly change and vary its programme, and it is with this in mind that he is looking forward to returning with several new ideas which may be implemented into the present parks and recreation programme in Dorval.

THE PROTESTANT SCHOOL BOARD OF GREATER MONTREAL

School Opening - Wednesday September 6, 1961

All schools under this Board will re-open on the Wednesday following Labour Day.

RECEPTION OF PUPILS ON OPENING DAY IN HIGH AND ELEMENTARY SCHOOLS

Pupils returning to the same school as they attended last year will report at 9:30 a.m.

Pupils to be registered for Kindergarten will report

Pupils seeking enrolment in a school other than the one they attended last year will report at 1:30 p.m.

GRADE XII

All Twelfth Year classes will be located in the High School of Montreal, 3449 University Street. No application will be considered from any student with less than an average 65% (10 papers) in the Junior High School Leaving Examination. Application should be made at 1:30 p.m. on Wednesday, September 7th, at the High School of Montreal.

ELEMENTARY SCHOOLS

Elementary School Pupils will present themselves at the nearest neighbourhood school.

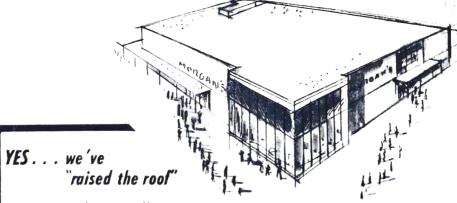

AGE OF ADMISSION

Kindergarten - 5 years old on or before September 30. Grade I – 6 years old on or before September 30.

Few laymen can accurately define sewage, and until I talked to Public Works Commissioner Ald. J. Bruce handled separately. And here's the rub:
The raw sewage, lo! these many years, has been discharged into Lake St. Louis - another crowning contribution to a situation that finds the

works Commissioner Ald. J. Bruce
Goodfellow the other day, my knowledge of the phrase was limited to
its spelling and to the assumption
that any municipality produces sewage. It's something that's there
whether we like it or not.

And Sewage is something we all
want to know something about these
late summer days; for within a very
short time the City Fathers will
choose a site on which to build the
much-needed and long - awaited
sewage treatment plant. In Dorval,
at present, and in other Lakeshore
unicipalities, the removal of sewage from its source is done by means
of sanitary sewers. These sewers
carry sewage only and storm water is of sanitary sewers. These sewers carry sewage only and storm water is

DORVAL IN ACTION

continued from page 7

least as far as Dorval is concerned.

We all know that, in late 1960, the Federal Government, realizing the crying need for pollution correction, set up a hundred million dollar fund for aid to municipalities. constructing sewage treatment plants. This fund is administered by Central Mortgage and Housing Corporation and, upon application, CMHC will loan a municipality two-thirds of the cost of sewage plant construction, at the low interest rate of five and one-eighths per cent. Better still the Govern plant construction, at the low interest rate of five and one-eighths per cent. Better still, the Government will rebate 25 per cent of this coast for the portion of work completed by March 31, 1963. Further to this, by a bill passed in June of this year by the Quebec government announcing the formation of the Quebed Water Purification Board, the province will also provide one-sixth of the construction cost of a sewage treatment plant - again if the work is completed by March 31, 1963.

The cost of a sewage treatment plant for Dorval will be upwards of \$1,000,000, and with the opportunity of saving one-third of construction costs the City Executive is losing no time in getting a sewage treatment plant construction program under way.

This column's best information is that the site will be decided upon sometime around Sept. 15. This column's best guess is that not everybody will be satisfied with Council's selection of location, but such difference of opinion is nothing new in a community where everybody

a community where everybody gets a chance to speak his or her piece, and usually does.

In any event, it's good to know that Dorval is taking definite steps to correct a situation in which one of the finest lakes in the country offers waternof (tite) both in. offers water not fit to bathe in

And just in case the reader is as uninformed as the writer - a most unlikely thought - I had better provide the technical information regarding the function of a sewage treatment plant given me in capsule form by my man of few words, Mr. Goodfellow. As fellows:

Goddellow. As follows:

In a sewage treatment plant, the raw sewage is converted by various mechanical and chemical processes to that the effluent discharged into the lake is harmless.

Now, if other Lakeshore municipalities will follow Dorval's lead, and undertake to treat their own sewage, it won't be too many years before the entire Lakeshore and Lake St, Louis will be a swimmers' paradise and a far healthler area.

It seems unthinkable that an community will lose time or lag behind in launching a program of pollution correction.
