DAY TWO – Rocky Mountain National Park

Departing Denver we venture into Rocky Mountain National Park, a living showcase of the grandeur of the Rocky Mountains. With elevations ranging from 8,000 feet on the wet, grassy

valleys to 14,259 feet at the weather-ravaged top of Longs Peak, the park is filled with breathtaking scenery and experiences. Following the Trail Ridge Road a stop at the Alpine Visitor Center offers an opportunity to learn more about this fascinating place. [\(Breakfast\)](#)

DAY THREE – Leadville Colorado & Southern Railroad

Today we travel to historic Leadville to board the Leadville Colorado & Southern Railroad. While onboard, learn about the fascinating history of the railroads, ghost stories and tales of the wild from your conductor while traveling north along the Arkansas River Valley. DAY FOUR – Durango & Silverton Narrow Gauge Railroad

This morning we visit the Black Canyon of Gunnison National Park. Then, it's "full steam ahead" today as we board the Durango & Silverton Narrow Gauge Railroad. Voted one of the "Top Ten Most Exciting Train Journeys in the World" by the Society of American Travel Writers, this route winds through the spectacular and breathtaking canyons in the remote wilderness of the two-million acre San Juan National Forest. The locomotives used today remain 100% coal-fired, steam-operated and are maintained in their original condition. Later, we check into the Sky Ute Casino Resort where you may wish to give Lady Luck a try. *(Breakfast and dinner)*

DAY FIVE – Mesa Verde National Park

Today we visit the land of the ancient Pueblo Indians in Mesa Verde National Park. The fascinating cliff dwellings and culture of these people provide us with a look into a society that existed approximately 1400 years ago. Building elaborate stone communities, the Pueblos developed their own society that existed for some 700 years, before disappearing. Archeologists called them Anasazi, from a Navajo word sometimes translating as "the ancient ones." *(Breakfast)*

DAY SIX – Cumbres & Toltec Scenic Railroad

Our day begins as we board our motorcoach and ride to the Cumbres & Toltec Scenic Railroad, the original Rio Grande Line. This is America's most spectacular narrow gauge steam railroad. Enjoy lunch onboard as you explore 50 miles of wild and rugged territory between Chama, New Mexico and Antonito, Colorado, the highest point on the railroad. *(Breakfast and lunch)*

DAY SEVEN – Royal Gorge Route Railroad

Today we enjoy another journey by train aboard the Royal Gorge. The 12-mile route follows the most famous portion of the old Denver and Rio Grande Western train line. We ride

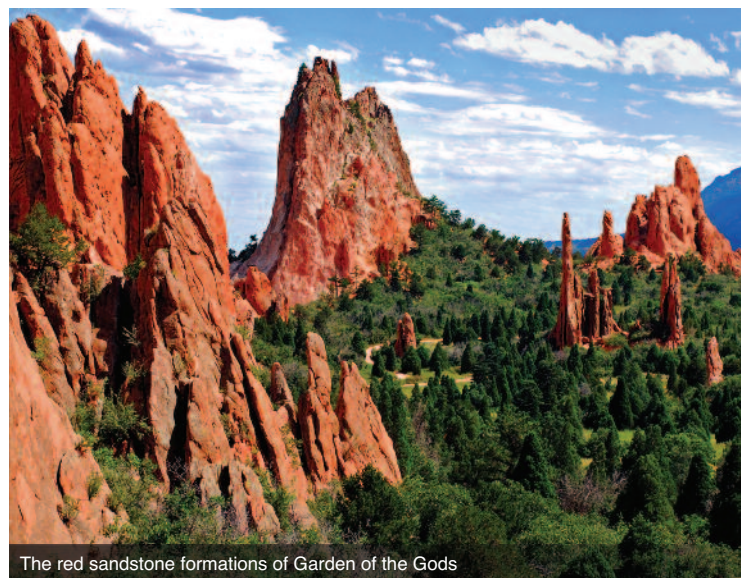

through the "Grand Canyon of the Arkansas" on an unforgettable journey over the famous Hanging Bridge, which clings precariously to the steep granite walls of Royal Gorge. *(Breakfast)*

DAY EIGHT – Colorado Springs

This morning we travel aboard our motorcoach to the U.S. Air Force Academy and its famous Cadet Chapel (when available). Next, it's on to the stunning Garden of the Gods, a 1,300 acre park where flora and fauna reflect the rich diversity of the terrain, and red sandstone formations tell a unique geological story. The Garden lies at the base of Pikes Peak, which is our next adventure. "Ride to the Clouds!" aboard the Pikes Peak Cog Railway, the highest cog railroad in the U.S. which stretches nine miles long as it vertically climbs to almost 14,000 feet. This evening we assemble for a farewell dinner, sharing memories of this unforgettable rail journey. *(Breakfast and dinner)*

DAY NINE – Denver and Home

Following breakfast we say goodbye to Colorado with fond memories of our western railroads adventure with a group transfer to the Denver airport for flights home after 12:00 p.m. *(Breakfast)*
