REACH, Inc. – Community Outreach

Staff are requesting Clorox swipes, cleaning supplies and laundry detergent for the Safe House.

As the staff travel to the schools to discuss domestic violence, they have identified a need for children’s underwear and socks of varying sizes. They have also adopted some families to help as well. If you have items of clothing (clean and in good condition), children’s books, etc. to donate please place them in the blue bin located in the pantry. Check out the clearance section at Walmart next time you go shopping.

Stacy can always use some **small tote bags** and small travel size items to fill them with, e.g. travel size shampoo and conditioner, toothbrushes, tooth paste, travel size deodorant, hand sanitizer, etc. She is having difficulty finding small bottles of hand sanitizer so next time you go shopping pick up a few bottles..

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also ask for cooking utensils for helping them start over. So, if you have something you no longer want, they could use them. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet. They also can use items to help their self-esteem and pass the time until they can be placed in a safe environment. You can provide puzzles (500 pieces or less), adult coloring books, reading material, make-up, nail polish, hair clips, etc.

Volunteers and donors are always needed. Call the office at 828-837-2097 or 828-837-8064 for more information. Local REACH covers Cherokee and Graham County.

For the month of March, Reach puts focus on Men’s Domestic Violence. Men are often forgot when the term domestic violence is used. Reach wants to change that, Men, like others, can be physically, mentally, and emotionally abused etc. Often, they’re looked over by society because of the stigma that men are strong and non-emotional. Because of this stigma, men often do not come forward for support.

We need your help to keep our pantry stocked. If no organization, family, or individual has made a special request; then, Lula pulls items off the shelves and the last or first Tuesday of the month she takes them to the Cherokee County Food Bank, Inc. in Andrews, NC.

You can also write a check payable to the Andrews Food Bank, P. O. Box 843, Andrews, NC 28901

The food bank is open to the public on Tuesdays and Saturdays from 10-12.

Since the beginning of the pandemic and with inflation food insecurity has increased.

Be careful when driving because of the early morning fog. Wet roads can be hazardous. Heed the weather alerts and do not drive if you don't need to be out. Make sure you have the recommended items to survive at home should there be a blackout and the stores are closed. Make sure you know the location of shelters should you not be able to remain at home.

People are still suffering through the impact of hurricanes, tornadoes, and earthquakes. There have been deaths most recently during the recent earthquakes, flooding, blizzards, and snowstorms in the US and other countries.
