

Monterey County Sheriff's Posse

Uniform Requirements

March 2005

The Posse uniform consist of a western dress white shirt with MCSP patches sewn on the sleeves (not pinned on) about a fingers width below the shoulder seam. The uniform includes the MCSP badge worn over your left pocket The uniform is complimented with a black western blocked hat and black neck scarf. The pants are to be new or newer blue jeans [dark blue].

We do have an option of wearing a denim colored western styled shirt with the patches in lieu of the dress white shirt when working a detail that would make the white dress shirt appear soiled, i.e. cooking at the pits during the Big Hat BBQ

The uniform attire is to be worn at all public events we participate in, i.e., Jr. Rodeo, Mother Lode Parade, California Rodeo, Big Hat BBQ, Ranch Rodeo, Posse Play, a Posse member's funeral, or any other public event in which you are representing the Monterey County Sheriff's Posse.

*****Parade uniform*****

In an effort to carry on the Western tradition of the Posse, members are encouraged to wear a western style holster and revolver (unloaded) when we ride in parades.

Those carrying flags also wear black chinks which are provided by the Posse.

Posse horse blanket. Several members have purchased this blanket. The Captain has a limited number of loaner blankets.
