FLEECE BLANKETS
MAXIMUM: 5 BLANKETS

* recipients: children at PTN, Rainbow Shelter, Miller Children's Hospital, The Gathering Place, Community's Child, 1736 House

SINGLE SMALL: 1 HOUR
1 yard fabric
final measurement approximately 52" x 34"

SINGLE LARGE: 2 HOURS
2 yards fabric
final measurement approximately 52" x 70"

* fleece fabric is available in nearly all fabric stores. It is usually 54" wide. The cost at local fabric stores is approximately $8 to $15 per yard. If you go to the fabric district in Downtown LA you can find it for $2 to $5 per yard.

INSTRUCTIONS:

1. Cut off the selvage edge on both sides of fleece.

2. Cut corners of fleece 3½" x 4" as shown. The selvage sides are cut 3½" because those are the stretchy sides. The other sides are cut 4". Cut all four corners.

3. Use a piece of masking tape to create a guideline for cutting the length of the fringe pieces.

4. Cut the fringe pieces approximately 1" wide along the entire lengths of the fleece.

5. Tie a knot with the fringe piece making sure to pull the knot to the inside end of the cut edge. Work your way around the fleece. All edges will be fringed.

DOUBLE SMALL: 2 HOURS
1 yard of two different fabrics

DOUBLE LARGE: 3 HOURS
2 yards of two different fabrics

* When creating a 2-sided blanket, follow the directions above and tie the fringe pieces to each other in a knot.

max hours = 20 hours/yr
