Dear Prospective Sponsor,

Our Lady Star of the Sea School (OLSSS) delivers a quality Catholic Education to students ranging from Pre-Kindergarten to 8th grade. The school has been in operation since 1933 and is proud to say it is the longest operating, private school in Calvert County that excels at a faith-based education. We are a unique, family-oriented school where staff, students and families form a supportive and caring community. One of our goals is to join with local area businesses and individuals with a common interest: the growth of community participation among the families who reside in it.

We are hosting two major fundraising events this spring to raise money to offset the children's education and enrichment programs as well as support school facility improvements. The events include the "Seahawk Scramble" on April 19th and our Annual Fun Run on May 24th.

We are reaching out to our local businesses to help offset the cost of the events. Plus, as part of the Fun Run, we would like to provide each student a t-shirt to wear during the run. As a private not for profit 501(c)(3) entity we rely on community support, such as yours, to ensure success. Your sponsorship will not only ensure successful execution of our events, but it will encourage the children and their families to remain dedicated to their amazing school and help us acquire the funds needed to make some much needed upgrades to our school facility.

With supporters, like yourselves, we can continue to establish a strong foundation on which these children, our future, can build their lives. Our school goal is to raise \$20,000 combined for these events. We hope you and your business can help us achieve this goal. Please review the attached pages for further information regarding sponsorship opportunities for these events.

Grace and Peace,
Mrs. Jennifer Thompson
