ELECTION RESULTS

The three 2 year Board slots were filled by Lisa Heck, Cheryl Micale, and Randy Kerschner. Fred Helm won the 1 year slot. Ted Stalnecker won the Treasurer position. At the meeting it was announced that Doris Quell had won. Subsequent to the meeting it was discovered that an error was made in an addition. So, Ted was declared the winner. This was disclosed in the special email letter from the Board that you received.

Z51 OIL CHANGE AT 500 MILES

GM has just confirmed that they are recommending the first oil change at 500 miles Z51 Stingrays.

The reason for the 500 mile change is because silicone in engine seals are deteriorating the anti-foaming agent in the oil. This is resulting in excess oil/foam being blown out of the dry sump tank, and into the intake ducting. The reaction from the seals should be mostly eliminated over the course of the first 500 miles.

Wet sump, (non Z51,) engines are not affected, because the foam will be on top of the oil in the pan and the oil pick up is in the bottom of the oil in the pan. On a dry sump the foam is on top of the oil also, and subject to being blown out of the tank vent at the top of the tank: subsequently going into the intake duct via the pcv clean air line.

Foam in the oil is never good, but driven in a normal fashion will have no really bad effects. Non Z51s are not warranted for track use, where foaming can be catastrophic if it's being ingested through the air intake.

According to the GM customer rep on Corvette Forum the cost for this change will be covered under warranty.

ALVERNIA CAFETERIA

The cafeteria at Alvernia will be open for the December meeting. It will be closed, however for the January meeting.

No **NEW MEMBERS** this month

FROM THE PRESIDENT *by Barry Goodhart*

What a year! The 50th Anniversary year was one year of many enjoyable events for all club members. It was great to see so many members volunteer their time in the different club activities.

Much of this year's success goes out to the hard-working, great thinking event chair people, who planned way ahead for this year. Each event seemed full of members traveling either North-South- East- West on land or water, with many great stories and new friends after the trip.

So the successful year was a joint effort of travel and Fun. The year still has one more big event---the annual Christmas Party on December 14 at the beautiful Reading Country Club. Chair-lady Bev Hoover and her elves have lined up an exciting evening for this last event of 2014. Get your registration in to Bev ASAP.

Congratulations to the newly elected officers and board members who will guide and promote the SDC club through the 2015 year. Want to give special thanks to Doris Quell who over the last 10 years has kept the SDC treasury in excellent shape and Rich & Sue Snyder for volunteering to help in putting together over 10 years of scrapbook memorabilia together for the 35th. In-Vette-Tational.

So many members to thank, hopefully I have personally thanked everyone. And I can't close without thanking Diane Goodhart for her effort and support for this year and the 49 years before! I saved the best news for last. This is my last attempt at a presidential message! I know the newsletter editors will breathe a sigh of relief! I hope I was able to keep most members in tune with the clubs activities.

The award winning newsletter (editor's Joe & Joy Golt.) is the heart of a good organization, so do your part as a member to keep it beating strongly! OK,I'm outta here. I have to start my Christmas list for the grand Kids!

Save the wave, thanks for the honor.

IN-VETTE 2015

By Andy Stalneckner

The In-Vette for 2015 will be held at the Oley Fair Grounds on 6/6/2015. The event will run from 9-2 and will be open to all cars and trucks. We will also be auctioning off the Lotto tree(s), depending on the number of lotto tickets we get. The Lotto coupons run from November to February so if you would give the club the free ticket that would be much appreciated.

We are also in need of a chairperson for the Auction, we do have some people willing to help so you will not be alone. Until we get a chair person for the Auction, please give me the lotto tickets and any donations you might have. The next Planning meeting for the In-Vette will be 1/7/2015 at Bob Fishers Used car building. You can contact me at astal@ptd.net or 484-797-7451.

CHRISTMAS PARTY REMINDER

Please bring an item or two that would fit into the annual "Baskets of Cheer" (such as a bottle of wine, crackers or other party items) these baskets will be chanced off the night of the Holiday party

REDNER'S SAVE-A-TAPE PROGRAM

Anyone who shops at Redner's Warehouse Markets and Quick Shoppes can help SDC raise some funds. To participate, you need to have a "Save-A-Tape" card. Simply ask for a free card at any Redner's Market. Present the card to the cashier before they start to scan your order. For each dollar spent, Redner's will donate 1% back to SDC. Members, as well as family and friends outside of SDC can also help out our program by using a Redner's card and giving you the receipts! Bring Redner's register receipt tapes to each regular general club meeting or mail to Barry Goodhart @ P.O. Box 227 Robesonia, Pa 19551.....

SDC LOSES 3 LOVELY LADIES

What a tragic month for our club. On November 6th both Barb Jacobs and JoAnn Surgeoner passed away. Then on the 26th Karen Koch also passed. Although Jo Ann recently left the club she had been a member since 2001. SDC extends condolences to all family members involved.

ANNUAL CHRISTMAS PARTY, DEC 14 see flyer

THE BASH APRIL 23-25, 2015 by Jack DeLong

The kick-off event at the National Corvette Museum each year is the "Bash" and it traditionally highlights the rollout of the next model year Corvette. With the new C-7 recently unveiled what could be new you ask? Well, the C-7 Z-06 was introduced at the Detroit Auto Show in January and without a doubt Z-06 will be at the Bash. Seminars will feature speakers detailing chassis, power train, interior design, and manufacturing all presented by a large contingent of GM designers and engineers. There is no other venue that brings you so up-close and personal to those that design and build the cars that we drive.

There is much more on the itinerary including road tours, Will Cooksey former Corvette Assembly plant Manager autographing his new book, "No Time To Cry", a ladies oasis, poker run, race team seminar and more. To view the whole agenda, go to the NCM web site, www.corvettemuseum.org and click on events. Registration is not yet open but if you are interested do not delay because some of the events are space limited. Also and of most interest to One Acre Track Members, there will be something very special for One Acre Members and if you want to participate, plan on being in Bowling Green by Wednesday, April 22nd.

We are going so if you would want to travel with us, please contact Jack or Dor at 215-657-4418. We have already made our reservations at The Bowling Green Hampton Inn, telephone number 270-842-4100. As I receive more detailed information, I will update at the Club meetings and on the newsletter.
