DEAR Ed,

How can we thank you & the Knights of Columbus, for the wonderful deed you have done for us. You placed in the Holy Cross Bulletin your "NEED HELP" REQUEST, and we responded.

You came out to our home and reviewed what had to be done, and told us you would be at our home with some of your men & make the repairs.

That work, Ed, you completed today, with Jim, David, Melvin, David and our son, Chris.

You purchased all the LUMBER and materials. You and your BROTHERS Knights completed the work in good spirits and a fantastic job.

You Knights are wonderful.

You all will be in our PRAYERS.

May God bless you all !!!

Our Love & Thanks

Joe, Yvonne & Chris
