WOW TRIBUNE

Reminders

Please remember to send payments to our PO box at Box 729, Marysville, OH 43040

If your child is sick, please call the office or emails us at info@wowchildcare.org

Check page 3 for updates on the move!

It is Fall Y'all!

Each September we run a number of screenings on children to not only make sure they are on track for their developmental standards, but also to work on individualizing care for each student. Based on the results of these screenings we start to focus on our ongoing observations and building lesson plans to fit the interests and needs of each student.

During October we start using the COR (child observation record) in order to start tracking about 50 areas of development for each child in our program. This ongoing record is completed 3 times a year, with a few observations being taken each week. This helps us understand where each child can grow and what teaching styles and approaches may help them.

At the end of each COR period, we offer parent teacher conferences to all students. These are highly recommended for children in our Pre-K classroom, as these children will soon move on to kindergarten. Although we do have conferences scheduled for these times of year, any parent, or any child in our program, can ask for a conference at any time! If you are interested in a conference, please let us know!

WOW Happenings

WOW Closes at 6:00pm

Please remember that WOW Closes at 6:00pm. This means that all children need to be picked up by 6:00pm.

If you are going to be late, please call the office!

Please note that all late families may be charged a \$1 per minute, per child, fee for picking up after 6:00pm.

It is going to get cold outside!

Please send your child to school with a jacket each day as we do play on the playground in most weather.

Also, it is a great time to update your spare clothing- each child should have 2 full sets of clothing (more for potty training children) plus a spare set of shoes.

Label your items please

All items, including spare clothing, water bottles, lunch boxes and containers, blankets, pillows, etc. must be labeled.

As a reminder, although we try our hardest, we cannot always make sure that every item is sent back home. Please do not send important items to WOW that cannot be replaced if lost.

Procure Connect

Please make sure you have downloaded the Procure App and are checking for messages and daily updates.

If you need help downloading the application, please see the office.

We often send out important information through the app regarding closings, illness, and upcoming events!
