FEBRUARY 2018 PASTOR'S PAGE

Are you ready for a new season? I know that's a loaded question in Minnesota, where we find ways to enjoy every season even if we find ourselves longing for warmer, snowier, drier, or greener when we're in the grips of just the opposite! But what I'm asking is if you're ready for another season in the life of the church. It may seem that the Christmas decorations are barely packed away, but the season of Lent is right on the horizon.

Lent may bring up different thoughts or emotions for different people, but in general it is observed as a season of soul-searching and repentance, a season for reflection and taking stock in preparation for Easter. Anticipation may run high as Advent leads us toward the Christmas celebration, but each year we Christians should also look forward to the penitential season of Lent.

That may sound like a strange statement, but perhaps we should pause to understand the blessings that Lent offers us. Among these is time set aside that allows us to focus on our own sins and then to place them purposefully at the foot of the cross, knowing that Christ has already paid the penalty in our place. Another blessing comes from the chance to study the ways in which we ourselves symbolically journey toward Jerusalem during the Lenten season. The blessing is that we do not walk the path alone—we journey with Jesus, the very one who calls us into discipleship.

A while ago I was reading some passages related to the Apostle Paul, and rediscovered one of his most important personal faith statements, found in his Letter to the Philippians. In 3:10-11 he says, "I want to know Christ and the power of his resurrection and the sharing of his sufferings by becoming like him in his death, if somehow I may attain the resurrection from the dead." Now while we certainly are not called to physical death during Lent, we are challenged to give up the comfort of a favorite food, drink, or habit in order to gain a better understanding of our Savior's suffering, temptation, and ultimate death.

As we observe the forty days of Lent, we seek in some small way to become like Jesus—particularly following the example of his withdrawal into the temptation of the wilderness. Lent has often been called a journey, and this year I'd like to invite you to take part in a Wednesday evening sermon series entitled, "Journey of Stones," in which we'll look at the compelling metaphor of stones (and our willingness to throw them) as representative of our sins. I hope that you will join us!

Our Lenten services will start at 6:00pm on Ash Wednesday (February 14) in the sanctuary, and will continue each Wednesday evening through March 21 at 6:00pm in the small chapel. A service schedule for Holy Week (the last week of March) will be published in next month's newsletter. Bring your Bible and let us make the journey to Jerusalem together.

Yours in Christ's service,

Rev. Cory Germain

OGHS Sharing Calendar—*MORE THAN WE CAN IMAGINE!*

The purpose of the calendar is to help us focus on ways that God has blessed each of us, and to give thanks for those abundant blessings. The calendar also highlights some of the challenging situations in the world. Each day suggests a donation of coins or bills. Your household can decide what unit works best for you. It is easiest if you select one unit and use it throughout the days on the calendar. Your gift will be a blessing to others!

Remember, don't just count your blessings . . . share them!

	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
DISASTER RELIEF	God provides for us more than we can imagine. Ephesians 3:20 With a thankful heart, share three units for all the ways God has provided more in your life than you expected.	Support disaster survivors by becoming an UCC Disaster Recovery Volunteer. Help communities rebuild: ucc.org/disaster Share one unit if you have ever volunteered at a disaster site, or two units if you have not.	Severe thunderstorms account for 60% of the \$23.8 billion dollars in damages caused by natural disaster in 2016. That number could double or triple in 2017. Share one unit if you have an umbrella and another if you have a raincoat.	The Caribbean was repeatedly impacted by disasters in 2017. Learn more about their resiliency through the Caribbean Initiative at: www.globalministries.org Give one unit for each country you can name in the Caribbean.	Bear one another's burdens, and so fulfill the law of Christ. Galatians 6:2 Give one unit for each time in the past week someone has helped you, or you have helped someone else.	Almost everyone in the fire zone in Northern California had some level of damage from toxic ash, power outages and smoke to linens and bedding. Give one unit for each blanket in your home.	"Rejoice in the Lord always; again I will say, Rejoice." Philippians 4:4 Share one unit for each person or experience that brought you joy today.
CHILDREN	"Let the little children come to me... for it is to such as these that the kingdom of God belongs." Luke 18:16 Share one unit for every child in your family and extended family.	Children remain the poorest age group in America. Some progress has been made in reducing poverty, but too many children are still hungry. Give one unit for each meal you've eaten today.	Children of a mother with 5 years of primary school education have a 40% higher survival rate than those from mothers with no education. Give one unit for each female in your family who has at least a 5th grade education.	Nearly half of all deaths in children under 5 are from undernutrition. This means that about 3 million young lives are lost each year unnecessarily. Give three units in honor of the children in your congregation.	Over the last decade child mortality rates have improved. Rising prosperity, education and the spread of health care are key factors. Give one unit for each job, degree and doctor associated with your household.	Children who have experienced a disaster in a year, are less likely to get vaccinated or to be on track with vaccines the following year. Share a unit for each check-up you had in the last year.	Girls are often excluded from educational systems, yet educating girls is the key to reaching many other development goals. Share a unit for each female teacher you have/had.
FOOD AND WATER	"I was thirsty and you gave me something to drink..." Matthew 25:35 Give a unit in thanksgiving for each day this week you were not thirsty.	In the United States, 40-50% of all food ready for harvest never gets eaten. Give three units for each meal you ate today where you did not finish what was on your plate.	Due to hurricanes in 2017, Puerto Rico and the US Virgin Islands sustained damage to their water systems. Give one unit for every glass or bottle of water you drank today.	The proportion of people living in extreme poverty is half of what it was in 1990. Yet 1.4 billion people live on less than \$1.25 per day. Share a unit for each meal you have eaten in a restaurant in the past week.	In 2014-15, 1.9 million people were reached with clean water and 3 million people with sanitation. Give one unit for each time you washed your hands today.	For every \$1 invested in water and sanitation, an average of \$4 is returned in increased productivity. Give one unit for each toilet and sink in your home.	In the first 2 years of a child's life, optimal nutrition fosters healthy growth and improves cognition while decreasing risks of obesity later in life. Share one unit for every scale in your home.
REFUGEES AND THE DISPLACED	"The stranger who sojourns with you shall be to you as the native among you, and you shall love him as yourself..." Leviticus 19:34 Give three units to support refugee resettlement in the US.	In 2016, there were 17.2 million people displaced from their homes due to conflict or persecution across international borders, 50% more since 2013. Give three units if you were never displaced from your home.	About 45% of the world's refugees reside in countries with per capita incomes below \$3,000—countries least able to afford them. Give three units if you or your household receives more than \$3,000 per month.	\$10 can provide a thermal blanket for a refugee, of 1 mat to prevent them from sleeping on the cold ground. Give two units for every thermal blanket in your home.	Over one thousand Puerto Ricans who self-evacuated after the 2017 hurricanes to Pennsylvania were looking for a "safe space." Share one unit for each bed in your home.	Adequate shelter is a basic human right, a basic necessity that every human being requires. Give two units if you live in a comfortable home.	Feel God's presence and joy through helping others. God loves a cheerful giver, so give whatever units you think would please God.

Barb, Donna, Ruth Ann and Cindy.

We took down the pew candelabras but did not change the red hymnals. Hymnals and taking down the Christmas decorations will be left until after church on Epiphany Sunday, January 7th.

The count was 135 in attendance for the Christmas Eve service. Thanks to Ruth Ann and family for taking care of the Worship Board duties for Christmas Eve service.

We will need a supply pastor for February 4th. Kelly will call Penny Ritter. Tim Berg was suggested as a supply pastor. Kelly will contact the church conference for a list of possible Pastors that might do pastor supply.
