

Think Like an Engineer

Date: Saturday, February 8

Time: 1-4

Location: Eastview High School

Cost: \$5 per person

For Cadettes through Ambassadors, this event is designed to give girls confidence and inspire them through STEM. Girls will rotate through stations hosted by the Eastview Robotics teams and Eastview's SWENext club. By driving robots, participating in engineering challenges, and exposure to new skills, girls will earn the robotics and engineering badges. (Badges are not included and can be purchased at the Girl Scout Store.

This event is in association with the Eastview SWENext club, Eastview's FIRST robotics teams 3042, 9182, 8473, and 14561, National Girls Collaborative Project, Mercedes-Benz, and Mattel.

This event will be hosted by Madelyn Wick of troop 54092 as part of her Gold Award. Please contact Madelyn with questions at madelynrwick@gmail.com or 952-567-0525.
