FINANCIAL DISCLOSURE FORM

Author

Article Title

The *Rhode Island Medical Journal*, the monthly e-publication of the Rhode Island Medical Society, is asking authors to disclose “relevant financial relationships.” The ACCME defines “relevant financial relationships” as financial relationships that may amount occurring within the past 12 months that create a conflict of interest. The ACCME considers financial relationships to create actual conflicts of interest when individuals have both a financial relationship with a commercial interest ***and*** the opportunity to affect the content of a publication about the products or services of that commercial interest.

I (or my spouse/significant other) have no affiliations/financial interests which should be disclosed.

I (or my spouse/significant other) have the following affiliation(s)/financial interests(s) which should be disclosed:

NAME OF ORGANIZATION	CONSULTANT	GRANT RESEARCH SUPPORT	SPEAKER'S BUREAU	MAJOR STOCKHOLDER	OTHER FINANCIAL OR MATERIAL INTEREST
