

Several Major Events are coming up.

Oct 27 – Governor Tomblin's Energy Summit at Stonewall Resort

WV ASHRAE Chapter President Jennings is speaking on "What you need to know about ASHRAE 90.1-2010". This is the next Commercial Building Energy Code that WV is looking to adopt in 2016. It is cost effective and reduces building energy use by about 25%! A BIG DEAL. Registration required. WV Energy Dept Sponsored. http://www.wvcommerce.org/energy/summits/energy_summit_registration/default.aspx

Oct 28 – WV ASHRAE Chapter Special Board Meeting

3:30 PM - 6:00 PM. Developing our Chapter's 3-year strategic plan. Fireside Restaurant in Hurricane. Officers and Board invited.

Nov 20 – ASHRAE Green Building Standards at Marshall University

This an event not to miss. All ASHRAE, AEE, ASHE, AIA and USGBC members are invited.

ASHRAE Distinguished Lecturer Dennis Stanke will be presenting the latest on ASHRAE 189.1 Green Building Standard. This is the green building standard that is merging with the ICC IGCC in 2018.

Dennis was Chairman for SSPC 62.1 (Standard 62.1, "Ventilation for Acceptable Indoor Air Quality") and as Chairman for SSPC 189.1 (Standard 189.1 "Standard for the Design of High-Performance Green Buildings"). He is currently a consultant to SSPC 62.1 and a non-voting member of SSPC 189.1, as well as a member of the Environmental Health Committee and the Standards Committee.

The Day starts with a Chapter Board Meeting, then Lunch/Presentation on 189.1, a Tour of the New Marshall Univ. Engineering Building and an afternoon in depth session on the 189.1 Standard. Marshall Engineering Students can attend for free.

Welcome Aboard

Our newest Chapter Gold Member is Michael Joseph Brace with Accu-Temp, Inc. He received a free copy of the WV Residential and Commercial Energy Standards from our Membership Chair ASHRAE Fellow Art Hallstrom.

ASHRAE has a drawing going for an Apple Watch. All new ASHRAE members signing up in Oct are in the drawing. This ends Oct 31. Spread the word.

Research Promotion on track

Donations to ASHRAE Research fund millions of dollars of HVAC&R related research. Your contributions keep this program going. Our Chapter goal is \$2000 this year and we are currently at \$650. All Chapter Officers have supported this program with \$100 donation each. RP can use your help. Here is [the link](#).
