

DE Competition Teams

Competition dance is available to all Dance Endeavors students ages 10-18. There are two competition teams based on age. They compete in a variety of dance disciplines including ballet, jazz, lyrical, modern, hip hop, and more!

The Competition teams are instructed by Dance Endeavors Instructors Denaya Black & Ruth Glaeser. Denaya Black has an extensive background in jazz, tap, ballet, pointe, lyrical and partnering. She danced and competed throughout the US and studied with some of dance industry's finest, such as Mia Michaels and Finus Jung. Ruth Glaeser began her training at the Perpich Center for the Arts where she excelled in modern dance. She studied Taylor technique under Joao Carvahlo and continues to study at the Paul Taylor School. She is a freelance dancer, choreographer, and theater performer, performing with Time Track Productions (Paula Mann) & Theater Latte Da.

Auditions for the teams are held in the summer. All dancers who audition are required to attend the Summer Dance Camp Intensive. The teams rehearse weekly in addition to their regular dance classes.

Competitions are held on several weekends in the Winter/ Spring. Extra fees apply.
