Amber C. spent her break taking beautiful pictures! Looking gorgeous, Amber!

Natalie V. traveled to Brazil to take this awesome picture on her study abroad! Love the pose, Natalie!

Giana B. scrubbed up and spent her winter break shadowing a vet! Thumbs up, Giana!

Our January professional development guest speaker Dr. Jason Emmert helped us reflect on our values and why we hold our values. Thank you Dr. Emmert for helping us start the new year looking inwards!

Abby M., Claire V., and Lauren S. all decorated t-shirts for cancer patients on Martin Luther King Day, which was a campus-wide service day! (Pictured left to right)

Sigma Alpha had a great time playing minute-to-win-it games at Farmhouse for their rush event! Pictured below to the left is our whole group and directly below is Corrine H., stacking cups for the win!

As you may know, in January of 2020, Sigma Alpha Alpha Mu chapter will be 20 years old! There will be an anniversary celebration next January, and there will be more information soon.
