Quotes:

"She is raising three boys, working at a daycare, and going to school all while her husband is serving his country on his (now) sixth deployment. It has been her dream to complete her educational career and work with children,... Her support and understanding for the military lifestyle have earned her recognition from her husbands command, from friends and family, and now hopefully from the Anchor Scholarship Foundation."

Julia Rollison, Human Resources

"As I complete my education at HPU, I am very thankful for receiving your caring gift. Because of your scholarship I will be able to attend summer school and after 10 years, graduate. This has not always been an easy road as I am a military spouse and mother of three young boys. It is my hope to encourage other spouses to pursue their dreams with confidence despite its challenges. With your generosity and the support and love from my family I am that much closer to achieving my goal, I can't wait!" **Morgan**
