"High-Wire" easily earned her junior leg her first time out. She was also Best Jr Doe in Show at a very large Alpine show in Boise Idaho. A very correct kid that is now a lovely 5-yr-old. She was last Bred to Lover Boy for 2013 March freshening. This freshening produced our Final Hi-Wire daughter, Live-Wire.

"Mercedes" is the littermate to Makya in our sire center. See her extended pedigree on that page. Mercedes has the best disposition of all of the animals in our herd. She is also one of the tallest in the herd. She excels in General Appearance. She has a high and wide rear udder and a smooth fore udder.
