3. Upcoming event—Yearend carnival. We will hold our yearend carnival on the last day of school (5/18). We would like to ask each class to have a carnival parent representative to be in charge of the booth and communicate with the school. We would like to ask the teachers to notify the school what game will be offered at your class booth after discussing with your representative. Food sale will also be held at the carnival. We welcome more parents to cook food for the sale this year.
