## WHOLESALE

### Christmas Collection

For more than 20 years the family development team at Fountasia has designed and discovered innovative products that bring the joy of Christmas to home décor for families all over the land.

This year, the Christmas Collection of **Magical Decorations** presents an exciting mix of traditional and new, baubles, berries, lace and silver decs with lights on timers to create inspiring Christmas scenes with a gentle touch!

The **Gonk Factory** presents these ever popular quirky characters with some exciting new inspirations in on-trend colours and fashionable styles. 'Trendy Trees' and 'Fairy Angels' add theatrical sparkle & shine.

**Elf Wonderland** springs into life when the elves and Christmas fairies come out to play.

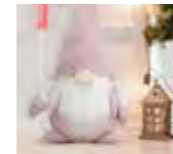

**Traditional Nutcrackers** guard the Winter Wonderland in colourful uniform from giant guards to miniature soldiers. Fountasia's famous 'Bobbers' and 'Springers' are such fun featuring the iconic Christmas characters, Snowmen, Robin and Santa, of course! A variety of statues, hanging bells and 'Tinkle Toes' create the most magical Christmas décor.
