*Help us provide a future of
fun and enjoyment!*

Revised: 3/2020

WHAT WE DO

The McCook Lake Association is responsible for pumping water from the Missouri River to McCook Lake, maintaining proper lake levels.

Other services include:

- Lake Clean-up
- Water Quality Monitoring
- Placement & removal of No-Wake buoys
- Partnership with government agencies
- Communication within the McCook Lake Community

WHY CONTRIBUTE

- Protect your real estate investment
- Maintain property values
- Recreational benefits for homeowners & guests
- Healthier fish, wildlife and plants
- Invest in an improved quality of life in your neighborhood
- Assurance that the lake will maintain adequate levels for enjoyment
- Recreation benefits homeowners and the public
- In 2019 alone, the MLA spent \$40,462 for equipment, repairs and utilities to pump water out of the lake

All contributions stay local and support pumping water in or out of the lake by paying for utility costs, pump improvements and yearly maintenance.

Our 1.5 mile long, 2 foot diameter pipe that carries water between the river and the lake is now 19 years old and will need repair and replacement in the not too distant future.

A big task becomes small if we all help the cause. We need your support. Contribution levels are listed, but any amount can be donated. Thank you for your support of the MLA!

BECOME A MEMBER

Membership Levels

All contributions are tax deductible and help maintain the water level of McCook Lake.

Corporate Sponsor-\$1000

- Company Logo on Website & Newsletter
- Complimentary Admiral's Stag Ticket

Platinum-\$500
