

THE SENTINEL

- 3 bedrooms
- 2 baths
- 1690 square feet

The Sentinel offers convenient ranch-style living. The eat-in kitchen and family room all flow together for an open layout that is great for entertaining. The kitchen includes a serving bar and pantry. The flexroom in the front can double as an office or formal dining area. The master bedroom has a tray ceiling, tiled shower, and a large walk-in closet. Bedrooms two and three share a bath and semi-private hallway. Other features include a pass-through mudroom, separate laundry room, and a covered entry.
