"Disciples Diner" Rules:

- "Disciples Diner" opens at 6:15pm and serves until 6:45pm. Food is available buffet style for the entire serving time. Diners are invited to join us as their schedule allows to make it a relaxed dining experience for all.
- Grace will be said as a group prior to the meal. If arriving after the blessing, please say grace silently on your own prior to dining. Everyone should also say the Thanksgiving Prayer silently on their own as they finish dining. Both prayers are displayed at the tables.
- Students must remain seated in the "Disciples Diner" until 6:45pm. They will not be allowed to enter other classrooms or areas of the school as there is no supervision in these areas prior to that time. Students may play on the playground **ONLY** if a parent is there and willing to supervise them.
- Students may enter the chapel at 6:45pm to pray and sit quietly. A DRE/teacher will be in the chapel to supervise.
- Art projects, pictures and other items hanging in the lunch room or displayed in the windows are not to be touched. These are items that belong to the school and the students of Tabor Elementary so please be respectful.
- Be kind, polite and respectful to other diners.
- Most important - Enjoy the food and fellowship.
