

William Stech

Bill is a lifelong resident of Pitman. He attended Pitman schools, graduating in 1973. He participated in football and track in high school. He attended Glassboro State College (now Rowan University) where he majored in accounting and marketing. He coached Pitman Little League softball for many years, managing the 1996 senior division team to the New Jersey State Championship.

Bill has been involved in his family owned business all his adult life. The organization, known as The Stech Group, has several companies all involved in trucking, warehousing, and industrial real estate, based out of New Jersey and Pennsylvania. His main responsibilities involve financial, legal, purchasing, and account retention.

He is married with two children and four grandchildren. His main hobbies include spending time with his family, automobiles and following his favorite sports teams.
