

FoxGem Virtual Class
Tricks Fun Stuff and Boredom Busters
4 weeks, appx 1 hour each week

Our tricks workshops are always very popular and we've upped the value to add more fun activities and boredom busters. We will cover the foundations of tricks (foundations are necessary!) and show you how to teach your dog specific tricks, many of which you can use for your AKC Trick Title tests. You will learn how to shape behaviors (including naughty ones) into fun and productive actions/tricks. Many of these exercises and tricks will carry over to traditional, formal obedience training.

Trick training is not only fun for you and your dog, it can lead to better attention and focus, build working drive and add zesty variety to your regular training routine

We've added lots of fun ideas for activities that will help keep your dog engaged, "enriched" (a broad term), active and entertained. Rainy days, limited time, busy work schedule, new ideas. We can help you!
