

## President's Message:

November is here and Oaks Royal III is coming alive with all of the Northerners returning to their Winter homes. We hope everyone arrives safely. Bernie was going to do the Newsletter, but her daughter is ill with Cancer, so I am trying my hand at getting out the Newsletter. So if there is a problem with it please let me know and maybe I can correct it in December.

Jack Horner

## Bible Study:

Bible Study will begin on Thursday, December 5<sup>th</sup> at 10:30 a.m. at the Clubhouse. We have three lessons left of our study book which is titled "Seven Letters for Seven Churches". There are a few study books available if you would like to attend. We will decide on the 28<sup>th</sup> what we will want to do next. A sign-up sheet will be placed in the Clubhouse with the cost and title for our next study which will start after we finish the three lessons that we have in our present book.

## **AT THE LIBRARY:**

"From my bed I watch the seasons pass  
Before me through wide panes of glass....."

So began a poem I attempted some time ago and never got inspired with more stanzas. Here in New England by the end of October, the trees are mostly bare of leaves while awaiting Mother Nature's first snowfall to decorate their branches for the next long season. As I write this on Oct. 10, the foliage is at peak and the northeast is preparing for the final onslaught of tourists to clog the byways of our region. Most locals stay at home and enjoy the scenes in their own dooryards, avoiding the bumper to bumper traffic from points south.

The following titles are ones I will be bringing with me:

### **NON-FICTION:**

"Laura - America's First Lady, First Mother"

"Becoming" - Autobiography of Michelle O'Bama

"The Mitford Bedside Companion" essays, photos, favorite Mitford scenes and much more by Jan Karon

"Mitford Cookbook and Kitchen Reader" Jan Karon

"The Complete Poems of Emily Dickinson"

"Voice of an Angel" Charlotte Church"

"Anne Frank- Beyond the Diary" a photographic remembrance

"Three Weeks with My Brother" - a unique memoir chronicles both an astonishing around-the-world adventure and a life affirming inward journey" by Nicholas Sparks and Micah Sparks

### **FICTION:**

"The Last Time They Met" by Anita Shrive

"Morgan's Passing" by Anne Tyler

"Another View" by Rosamunde Pilcher

"Swine Not? - a novel by Jimmy Buffett

"What to Wear to see the Pope" by Christine Lehner

"Some Luck" first volume in an epic trilogy by Jane Smiley

"A New Song" by Jan Karon

"The Jacket Companion" by Louis L'amour - a personal guide to the Sacket novels

"The Book of Ruth" by Jane Hamilton - winner of the Pen/Ernest Hemingway Foundation award from Oprah's Book Club

**SAFE TRAVELS EVERYONE!!!**

**DONNA BIRCH**

## **Recycle:**

Don't forget that recycling is every Wednesday Morning. They will not pick-up on Christmas or New Year's.

## **Refuse and Trash:**

Refuse, Trash and Garbage is each Monday and Thursday Morning. They do not pick up on Thanksgiving, I am not certain about Veterans Day.

## **All the people in the world are of the same age this year!**

**It's amazing: this year all the people in the world are all in the same age group, all equal to 2019.**

**This year is special.**

**It happens only once, every 1,000 years.**

**This year your age + your year of birth, each individual is = 2019**

**For example, you are 55 years old and were born in 1964, which adds up to 2019.**

**Very strange, even the Chinese and foreign masters cannot explain.**

**Please calculate and see if the answer is 2019.**

**It's a thousand-year wait!**

**Good Shot!**

**Go to the circle of friends, let everybody calculate it!**
