Remarkable Ideas

https://www.ablenetinc.com/resources/remarkable_ideas/

Over the course of 30-years, we have discovered amazing ways people use AbleNet products to improve the quality of life for individuals with disabilities. Remarkable Ideas take these amazing discoveries and provide activities that incorporate alternative methods of access to ensure each student can participate, learn important educational and life skills, and have fun.

TITLE: Let's Make Hot Chocolate

DESCRIPTION: In this Remarkable Idea, students can collaborate to make a delicious hot drink to share.

KEYWORDS: Cause and effect | Turn taking | Group work | Social scripts | Following steps | Alternative methods of access | Jelly Beamer | iTalk2 With Levels | Step-by-Step | PowerLink

LESSON PLAN included

From award-winning filmmaker Dan Habib comes INTELLIGENT LIVES, a catalyst to transform the label of intellectual disability from a life sentence of isolation into a life of possibility for the most systematically segregated people in America.
