DESCRIPTION: Beautiful Freijo Mustang that has a few finish issues on the riser (see pics). Bow has no delamination; no cracks; limbs are straight. Double-sided overlay tips. Beveled arrow shelf. Overlays and tips are in great condition. No drilled holes, chips, or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in very good shape. Except for the varnish issues on the riser, this is a really nice bow in excellent condition for its age.

Comes with a brand new string (pictured)
