

November 2019

Apple Tree Prep-Athens

Dear ATP Parents,

It was so much fun seeing all of our students in their Halloween costumes. The Pre-K children had a great time visiting the "Nursing/Senior Center" to celebrate the morning. It was a great day of celebration. The students really enjoyed their special snacks as well. A special thank you to the families that contributed to the classes to make their celebration a success.

As Thanksgiving approaches, we would like to say that we are "thankful" to have your family have as part of the Apple Tree Prep family. It is a joy to work with your children and to share a partnership with you as they learn and grow.

November is such a busy month for us, with a calendar of events and a month full of learning. This month the classes will focus on the changes that occur with weather, food, Native Americans, Pilgrims, and the importance of being thankful. As we learn and discuss different things at school you can assist your child with this month's studies by discussing the weather and all of the changes, the different foods that you eat at home, and the different things that you are thankful for.

Remind App Sign Up Information:

Remind App information: Text# 81010 (as the contact) to your child's class code below (TEXT YOUR CHILD'S CLASS AND ADMIN). If you need assistant with this please see admin.
