4:30 Mediterranean & European Grocery 8601 Blondo St

We visited this awesome grocery store on our culinary trips to Omaha. AND THEY HAVE A SAMPLE TRAY. What's that fruit on a branch? Dates? OK...I guess I will try one. What's that purple looking fruit in the box? Sugar plums? OK...I guess I will try one of those too. Don't be afraid to ask questions and the store owner will be happy to not only explain and help select the foods. Fresh herbs are in the cooler, so you need to ask for them. But oh boy, the mint, the basil, the cilantro and the parsley are super fresh, lush and oh-so-affordable
