2. Write verse 10. God is telling you about the New Covenant. It is His covenant of peace for you that will last forever. We get all these blessings in Isaiah chapters 53 and 54, and all blessings in the whole Bible because of this.

3. Look up the definition of the word “peace” in a Strong’s Concordance. Ask your parents to help you. This will give you the real meaning and definition of all the words in the Bible. They can use a Strong’s Concordance book, or look it up online.
