End of the Shmita and Coming World Economic Reset

*The Feast of Tabernacles & the 8th Day Assembly 2015*

*'At the end of every seven years, at an appointed time, in the Festival of Sukkot [following] the year of Shmita. When all Israel comes to appear before the Lord, your GOD, in the place He will choose, you shall read this Torah before all Israel, in their ears. Assemble the people: the men, the women, the children'...—Deuteronomy 31:10-12.*

It was the command of YHWH to Israel to uphold a Sabbath Year over the land, people, property and commerce. Israel was unfaithful due to their greed that resulted in the national Judgment and Diaspora of Israel to Babylon for the 10 Shmita's owed to YHWH. The Shmita is a dichotomy as it has a double application in not only being a blessing of 'release' and resetting of debts for example but it can be a curse of undeniable national Judgment to a nation when not kept. The owners and manipulators of the rigged Stock Market that 'fixed' the drop of 678 points after 9-11 on September 17, 2001 on a Rosh HaShana and 777 points on 9-29-08 on another Rosh HaShana appear to be 'coding' this prophetic Judgment currently impacting the USA and the world at large. This judgment is economically based on the Biblical Shmita law of release and resetting.

This notion of the Shmita principle was first brought to the public's attention from Jonathan Cahn's study on the Harbinger. The USA and its predominant world economy have epitomized the essence of greed, gluttony and thievery as it was with Ancient Israel by the selling of the Messiah for 30 pieces of silver. It can rightly be argued that the USA is not Biblical Israel but the same 'people' are. Such are the 'masters' of the current world order of the world economy and centralized money supply. Jesus the True Messiah of Israel told the Religious Leaders of Israel that their Father was not YHWH but of him whom they had the same spirit of lawlessness, murder, greed and thievery. They are possessed by the same spirit of the love of money or mammon. Such are bestowed with unimaginable wealth from their Master Lucifer in this world because they have staked the American economy on Biblical cycles. The chart timelines illustrate this theory and shows the key points in the timing of the attacks/judgment on the USA that the Money Changers have been using to usher in their New World currently as the US Dollar and economy are currently systematically being imploded.

IF national judgment of the USA began on 9-11, then the forthcoming 7 year intervals

that are to culminate on Sep 13, 2015 will be of some prophetic significance that will finalize the sequence pattern of judgment and economic resetting. The year of release coincides with the last Blood Moon of the Tetrad that happens to be a Super Moon 15 days later as the 3 Fall Feast of YHWH are a continuous sequence. This in turn has prophetic implications for Israel.

### **The Harbinger**

According to Jonathan Cahn's theory, Elul 29, 5775 or Sep 13, 2015 is when the last implosion of the world economy will most likely occur. In that case, total chaos will ensue, economic, political, social etc. This scenario would concur with the celestial configurations and alignment due to the conjunction of the Moon with Uranus, the Father of the Titans, birthed in Chaos on the 2nd day of Sukkot, the day of the Hakhel assembly, the 8th Day. The Money Changers that have capitalized and manipulate the world commerce will use this Shmita timing as planned to usher in the New Order reset.

If the total lunar eclipse of the Sukkot Super Blood Moon is a type of the Rapture, then having the Church out of the way would allow the AntiChrist to formulate the New Order and currency, the Mark out of this designed chaos. This rationale is only insinuating a typology and not that the Rapture of the Church will occur at such a time but it is striking in its imagery. This NWO economic 'Mark of the Beast' new currency and economy will be based on not being able to sell or buy unless one is part and partial to this 'Mark' mandatory buy in like Obama Care.

### **Some Observations**

*- From Sep 17, 2001 Rosh HaShana crash to Sep 29, 2008 Rosh HaShana is 7 years + 11 days (a 7-11 code) the day of the 777 point drop in the Dow Economic Crash.*

*- From Sep 29, 2008 Rosh HaShana date to Rosh HaShana date in 2015 is 6 years 11 months or a (9-11) code.*

*- On Sep 13, 2015 you will have a Partial Solar Eclipse on Rosh HaShana.*

*- On Sep 28, 2015 that is on Sukkot is the 4th and last Blood Moon of the Tetrad of 2014-2015. It is 7 years exactly from Sep 29, 2008 Rosh HaShana crash of 777 points.*

*- On Sept 11, 2001 the star Geminorum13, one of 48 stars of Gemini was eclipsed by the 4th quarter Crescent moon at 1:11 a.m. Gemini 's Castor & Pollux represents "The Twins" ... for the Twin Towers being sacrificed to Jupiter or "ZEUS" AKA Lucifer.*

- 2008 is a Sabbatical year. A new Sabbatical 7-Year cycle will began on Sep 29, 2008. The year 2015 will also be a Sabbatical year.

### **The Coming World Economic Reset**

Undoubtedly the sacrificial Shmita countdown started with the attack on 9-11. It was the initiation of a 7-7-7 year ritualistic and Kabalistic slaughter of innocent people by the Money Changers that require blood to appease their Satanic Masters to implement the countdown to Lucifer's New World economic reset that will be used to control all of humanity. These progressive and systematic collective sacrifices through false flags, illegal wars and constitutional overwriting of civil liberties are shamelessly being made to coincide with the very Holy timetable of YHWH's appointed Shmita and Holy Feasts.

#### **September 17, 2001: Rosh HaShana**

*The First Attack: After the 9-11 inside job, the Stock Market fell 678 point when it reopened on Sep 17. This date was Rosh HaShana. It was alleged that religious extremists orchestrated the plot but NORAD was commanded to stand down and 3 buildings imploded.*

#### **September 29, 2008: Rosh HaShana**

*The Second Attack: The Dow Jones industrial average fell 777 points. It was/is the biggest single-day fall ever, easily beating the 684 points it lost on the first day of trading after the Sept 11, 2001 attacks. This day was also the biblical feast of Rosh HaShana.*

*Rosh HaShana on Sep 17, 2001 to Sep 29, 2008 Rosh HaShana = 7 years 11 days (7-11 code)  
Rosh HaShana, Sep 29, 2008 to Sep 13, 2015 Solar Eclipse = 6 years 11 months (9-11 code)  
From Rosh HaShana on Sep 29, 2008 to Sep 28, 2015 Sukkot Super Blood Moon = 7 years  
From Rosh HaShana on Sep 29, 2008 + 10 prophetic days of years = Yom Kippur Sep 19, 2018*

#### **September 13, 2015?: Rosh HaShana**

*The Final Attack?: Will it be on Jewish Feast of Rosh HaShana again exactly 7 years from Rosh HaShana of '01 and '08? Will this time-marker be either a beginning of the new world currency? This could be the death blow to the US Petro-Dollar dominated world economy and allow for the New World Order currency to emerge out of the ashes of the US.*

*From Rosh HaShana on Sep 13, 2015 + 7 years 13 days = Rosh HaShana on Sep 26, 2022*

### **The Shmita**

The Shmita is 'the Sabbath Year which means to release also referred to as the sabbatical year or the 7th as in the year of the 7-year agricultural cycle' mandated by the Law of YHWH during the Feast of Sukkot which lasts 7 days. All debts were cancelled and indentured servants were released of their obligations and sent out with a blessing.

The Shmita was to provide rest for the land but before all the plowing, commerce and labor were to begin anew on the '8th' Year, on the 2nd day of Sukkot, the nation of Israel was to 'assemble' (Hakhel) before the King to read the Law. The King would read from Deuteronomy and recite the 'Blessings or the Curses' and their conditions. The LORD YHWH would admonish His People to choose 'life' and not 'death' in obedience to His Holy prescripts. It is understood that the last such event took place the year before the destruction of the Temple in 70 AD.

- Year 5776 (2016) - 69 AD year = 1947 (Year of UN Partition Plan)

- 69 AD + 1948 years (Israel became a Nation) = 2017

### **A Super Moon**

This phenomena occurs when a Full Moon is nearest to the Earth due to the Moon's elliptical orbit called *Perigee*. Most recently this happened on June 22, 2013 the same day the *Star of David* Planetary Alignment occurred. They are very rare occurrences and when they do occur, the Moon is 13% larger and 30% brighter. The next Super Moon is scheduled to occur, according to NASA, on Sep 28, 2015 and Nov 14, 2016. The red color appearance of the 'Blood Moon' occurs as the Moon passes through to the Earth's shadow. The distance from Earth to Moon is about 238,900 miles (384,400 km) or roughly 30 Earths, side to side. The following is a list of the peculiarities of the Super Moon occurring on the Feast of Tabernacles. The Blood Moon is:

1. *At Perigee to Earth*
2. *A Full Moon*
3. *A Super Moon*
4. *A Total Lunar Eclipse*
5. *Seen over Israel*
6. *On Feast of Tabernacles*
7. *A the end of the Shmita Cycle*
8. *At end of the 2014-2015 Tetrad*
9. *7 days after the Year of Jubilee?*

### **Feast of Tabernacles**

Sukkot is often considered the Jewish 'Thanksgiving'. It is also called by the Feast of Tabernacle or Booths as a Sukkah or outside Booth is made to commemorate the temporary shelters the Israelites built along the journey in the Wilderness from Egypt to the Promised Land. It is also referred to the Week of Rejoicing as it lasts 7 Days with a the 8th Day as a corporate Assembly in which the Torah is read known as the *Hakhel* which means to assemble or otherwise known also as Shemini Atzeret.

This Feast of Sukkot falls on the 15th of the Jewish calendar month of Tishrei after Rosh HaShana, Yom Kippur and is the last of the 3 required assembly of men before the LORD, 1) Passover, 2) Pentecost, 3) Sukkot. Each Feast has a corresponding element for a Waive Offering; as the Palms are waived during Passover, the Bread at Pentecost and the Lulav or palm during Sukkot.

It is very interesting that the lunar Tetrads either fall on the Feasts of Passover at the beginning or the end of the 7 Feasts on Sukkot but never on a Pentecost. I would stand to reason then that the Age of Pentecost is emphasizing that Feast of Pentecost is directly associated with the Church Age, its beginning and conclusion perhaps. The Jews use 4 elements or species to commemorate Sukkot before the LORD:

- 1) a Palm
- 2) a Willow
- 3) a Myrtle
- 4) an Etrog (citrus).

### **Uranus - Order out of Chaos**

Another very intersecting occurrence is the conjunction of the Moon with the planet Uranus after the 1st Day of Sukkot, on the 29<sup>th</sup>. The Moon's conjunction with the Planet Uranus might be very significant as it pertains to its symbology and perhaps prophetic effect upon Israel and the world.

Uranus *Oúpavó* is attributed to the sky god of the heavens and in some renditions, the god of waters also. In mythology, Uranus as Father Sky was said to have been born from Chaos, as in the Luciferian Masonic war cry of 'Order out of Chaos'. Uranus was also the son-husband of Gaia, Mother Earth. These are the parents of the Titans alluding to the Fallen Angels and Rebellion against the Creator GOD YHWH. This ancient script goes along the lines of the Nimrod-Semiramis, Horus-Isis Luciferian and occultic alternate world view, etc., of how in the Last Days, the 'Atlanteans' would once again rise to rule the Earth with Lucifer as their King, the King of chaos and of waters, and the sea etc.

### **A 'Rapture' Type?**

The Super Blood Moon occurring on Sukkot, being the last of the Tetrad in Pisces is extremely unique as the *Hakhel* is to bring the Jew and Non-Jew together for an assembly before the King of Israel. Although there is no literal King of Israel or Prince to this day in Israel, but perhaps by then, on September 28, 2015 there might be a Prince, a King recognized that will be the 'one' to read the Torah at such an assembly in Jerusalem that Sukkot day.

It is also speculated that it will be on Yom Kippur that not only will the Jubilee Year be proclaimed as the year 5776, Year of Light had been initiated on Rosh HaShana but on Yom Kippur is when the Kings of Israel were anointed. Could this time be the occasion when the *'Prince that shall come'* be anointed "King of Israel"?! IF this could be a possible occurrence, then this 'King' would be the one to read the Torah on the 8<sup>th</sup> Day of Assembly. It would coincide with the Moon's conjunction with Uranus, the god or 'Prince of the Air', Father of the Titans what was birthed out of Chaos, i.e., the Luciferian Masonic Fallen Cherub want-to-be 'god'.

The Bible and Jesus Christ affirmed that He is the King of the Jews as stated in Matthew 27:11. In essence there is a current living King of Israel, Messiah the Prince Jesus of Nazareth that is in Heaven awaiting the command to Rapture His Bride and to bring her into the Sukkah for a 7 Day Feast of Rejoicing before His 2<sup>nd</sup> Coming to rightfully read the His Law at that future Feast of Sukkot in the Millennial Temple to come.

As far as the possible Rapture typology of the 8<sup>th</sup> Day, the Church birthed by Messiah does consist of this one 'New Man' in Christ, both Jew and Gentile. It is interesting that the Blood Super Moon occurs when the Feast of Tabernacles will have Christians and Jews believing in Messiah together in Jerusalem as the Blood Moon will be setting and seen towards the western horizon over the Temple Mount in Jerusalem - 1 day before the conjunction with the Planet Uranus in the constellation Pisces.

Pisces is associated with Andromeda, the chained and persecuted Woman that typifies the Church Age now that is currently being slaughtered by the 'peaceful' loving and 'merciful' Muslims that submit to the will of their 'god' AL-la' that requires submission by the sword. Andromeda is conjoined with Pegasus, *'He who swiftly comes to rescue'*... As the 2 Fishes of Pisces represent the Church consisting of the Jew and the Gentile in one aspect the comprehensive picture does have a strong depiction of the 'Rapturing' of the Bride away.

What better time, aside from Pentecost than the Rapture happening during this end or grand finale of the Tetrad on the Feast of Booth. Then the Booths spiritually would commemorate the spiritual 40-year journey of the 'Church' in the Wilderness of this dry wicked world that gets ushered into the Heavenly Promised Land by their Greater Joshua?

For sure this time and celestial configuration is a picture of when the King will lead the corporate Church to the Heavenly assembly on Mt. Zion to read the Law then and there. First to address each individual Believer at the Bema Seat of Christ, but then to the General Assembly where the Heavenly Shmita will be pronounced; as a blessing of release to the Bride and as a subsequent curse of the Seal Judgments upon Satan and the world that will begin thereafter. The breaking of the 7 Seals of Judgment by the King, Jesus upon the Titans coming from the descendant of Eve -the Seed of the Woman will bring the true Order out of the chaos as the Shmita will demand judgment befall the Nations and Lucifer during the concurrent 7-Day long Week of Rejoicing in Heaven.
